The Original Toss-to-Target Towel Game

Toss'n Reef™ Game Play

Please Note:

Many people like to make up their own rules for the game, or invent new ways to play. Go ahead! You have my permission! It's what makes the *Toss'n Towel Game Towel* so much fun. Below are some rules we've come up with. Feel free to modify them to suit you. You might even want to share your games/rules/modifications with everyone on our *Toss'n Towel Game Towel* website. Go to TossnTowel.com to share. You can also find our official TNT Tournament Rules there.

Enjoy!

Simple Rules

- Lay out the *Toss'n Reef* towel on a flat surface
- Select your tossing distance
- Start playing
- First to 21 wins
- Adjust the rules to your preference

Extra Challenge Rules:

Use one or more of these rules to kick up the fun!

- *Toss'n Sack* must land completely within the target; on or over the line does <u>not</u> count
- If your opponent's *Toss'n Sack* touches and remains in contact with yours in any target in that round, you don't get those points; last to land <u>and</u> touch gets the points; if *Toss'n Sacks* of opposing players don't touch and are still within the target, both players receive the points
- If your *Toss'n Sack* touches any part of the Octopus, you lose a point
- Try out your own variations!

A Little Bit About Why I Created *Toss'n Towel*™

Hi! I'm Robert F. Smith, blind entrepreneur and co-creator of the *Toss'n Towel Game Towel*.

I hope you have fun with my game! But I have a bigger purpose in mind, and hope you will join me in that, too. My biggest dream has been to inspire one million acts of intentional kindness around the world. That's why I created *Toss'n Towel*, to generate the revenue I need to accomplish this goal.

You see, I believe that every act of intentional kindness has the power to change the world.

Please join me in pursuing intentional acts of kindness. And when you do, share with me what you did and for whom. You can visit my website to let me know what you did. Go to littlegreenapplesproject.com and click on *Submit Your Kindness*.

Why am I doing this, and why am I asking you to join me? It's very simple!

Even a blind man can see that one act of kindness makes the world a better place. And that world begins with you.
