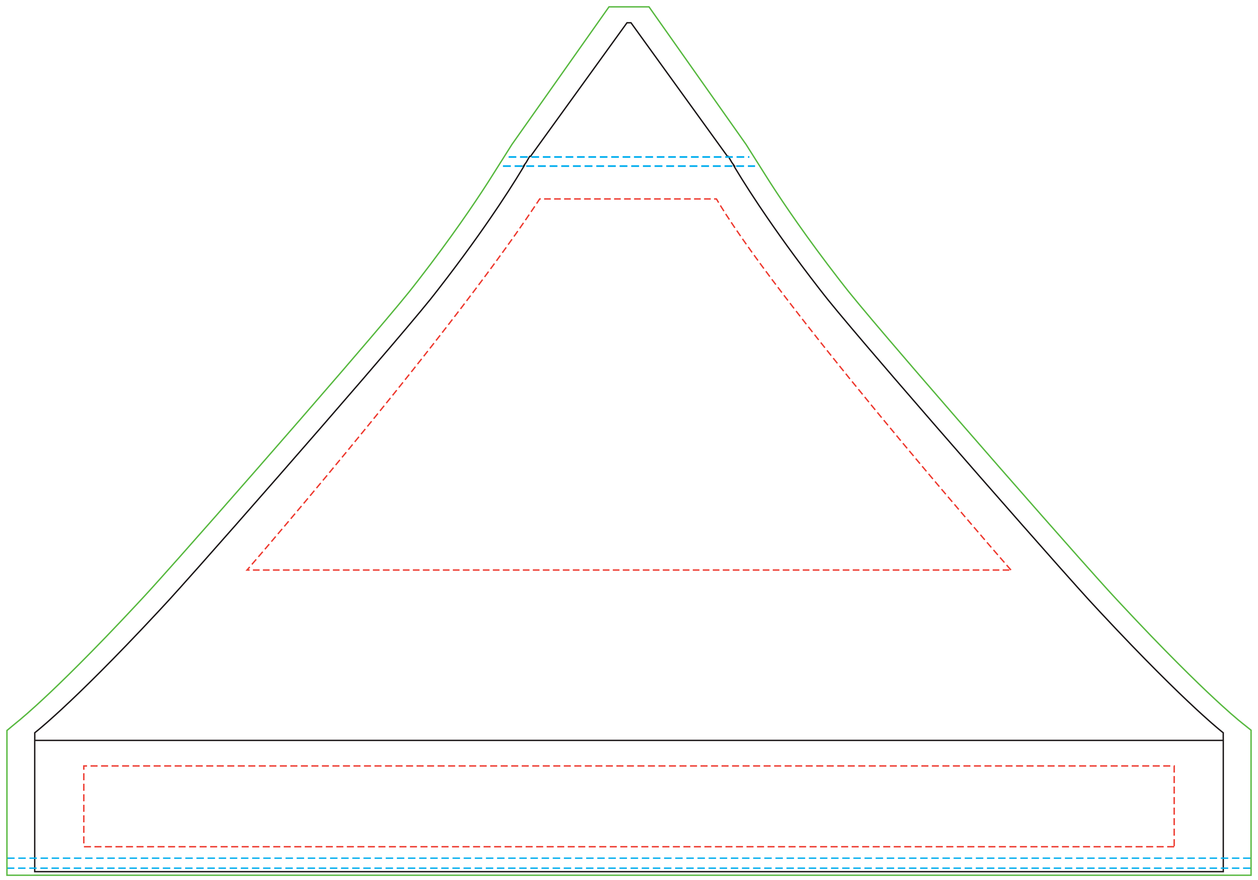
TEMPLATE BUILT AT 50% SCALE. MAKE SURE TO ZOOM IN 200% ON RASTER IMAGES TO PREVIEW FINAL PRINT QUALITY

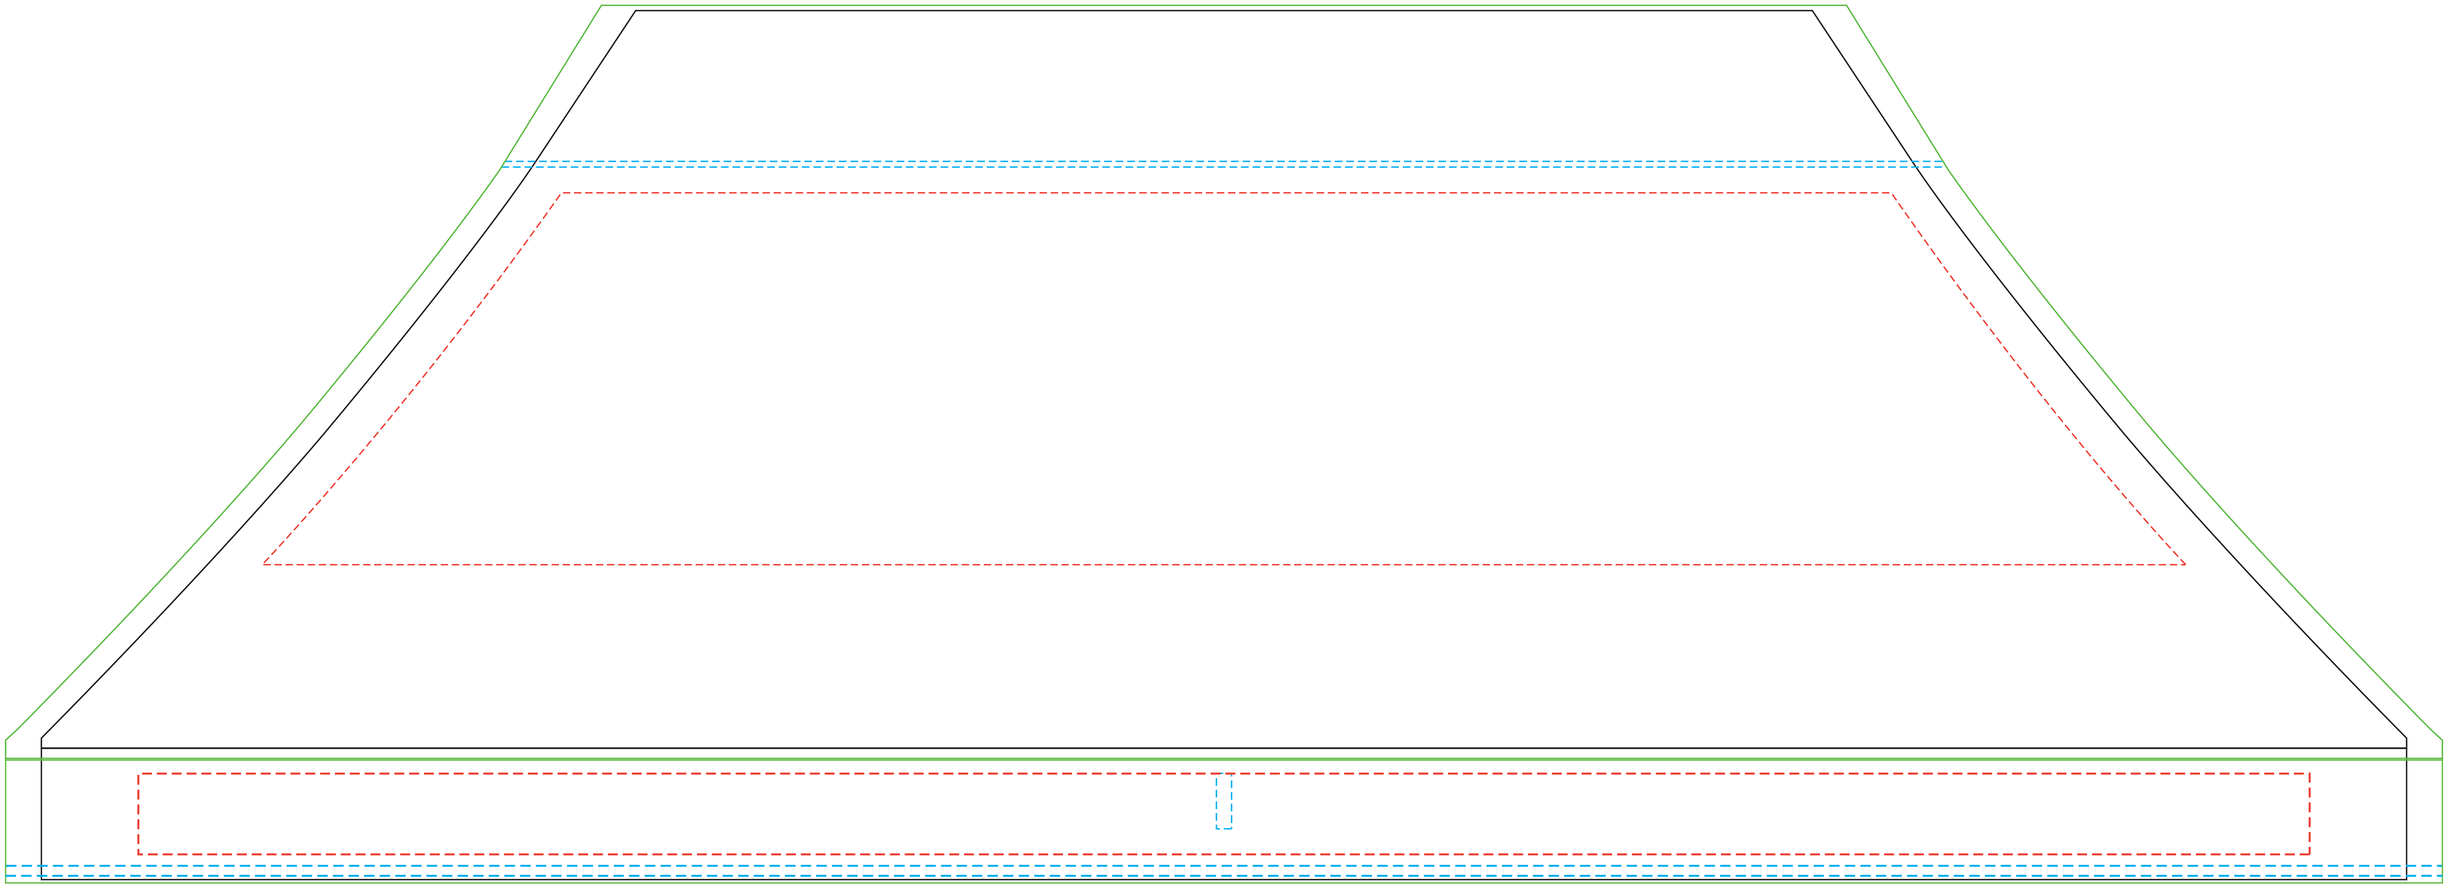
Red dotted lines indicate SAFE zones
Keep important elements such as text and logos within these areas

Blue lines indicate stitched sew lines



The green line represents BLEED
Make sure your background extends to the bleed line

The black line indicates TRIM (actual product edges)



NOTE: Blue lines indicate stitched sew lines. Art placed directly in the center of the 20 ft valance may be stitched over.
