

# URBAN BLEND

## ON TREND

### NUTRITIOUS & FRESH

An exciting blend that combines the nutritional value of chard and kale with the spicy kick of arugula. Its juicy texture holds up well to any dressing base, and its color fusion gives your plate appearance an extra boost.

Easy to use in the kitchen, this blend allows for a range of applications and pairings. Different from a traditional spring salad mix, this blend offers more bite, crunch, and texture.

## URBAN BLEND PROFILE

- FLAVOR:** Similar to spring mix, this blend has no strong off-flavors.
- TEXTURE:** Crisp and smooth! The smooth arugula and chewier kale give the perfect texture to your bite.
- HEALTH:** High in fiber, this superfood blend meets all your perfect salad criteria.
- COLOR:** The shades of green from the kales and arugula mixed with sprinkled purple and red from the chard make for a beautiful color blend.
- WASHED:** Washed. Ready to use.
- BRAND:** True Leaf Farms

## BLEND

- 40-60% Baby Red Chard
- 20-30% Wild Arugula
- 20-30% Baby Kales (Scarlet, Green, Black)
