The boot camp will focus on body conditioning, ballet technique, pointe work (for students on pointe), stage presentation, quality of movement and audition tips. Dancers should have several years of ballet experience. Students will have the opportunity to train intensively with the directors of the Macomb Ballet Company while also expanding their movement vocabulary and technique, developing strong artistry, and learning the art of choreography. Cost is \$99 for 3 days.

Dates: August 28-30, 2017

### Private Lessons

Summer is a great time for private lessons. Private lessons are meant to supplement a dancer's regular training. Whether you want to develop your artistry or fine-tune your technique, working one-on-one with a teacher can help take your dancing to the next level. Please email [info@annparsleyschoolofdance.com](mailto:info@annparsleyschoolofdance.com) to set up a private lesson. Rates for private lessons are available online.
