March 1, 2024: Important Update – Community Eligibility Provision

Beginning March 1, 2024, additional Jeffco schools joined the Community Eligibility Provision under the Healthy School Meals for All program for the 2023-24 school year, bringing added benefits including increased federal funding. All students enrolled at Community Eligibility Provision Schools (CEP-Designated Schools) are eligible to receive school breakfast and lunch daily at no cost, promoting academic success and student well-being. Meals follow the USDA guidelines for healthy school meals, and your support is key for the success of the School Breakfast and Lunch Programs. If you have not already, please complete a Meal Benefits Application to explore additional benefits such as reduced fees or the Summer EBT program.
