Costume Measurement Day!!!

Saturday December 9th: 9am-2pm. Mark your calendars! It is extremely important that your dancer gets measured this day! Dancers need to be dressed in tights and a leotard and/or tighter fitting clothing. To ensure proper measurements, we will not be able to measure your child if they are in baggy or street clothing.

If you cannot attend this date, or your dancer misses, they **must attend our one makeup day: Saturday December 16th: 10am-12pm.** Dancers will not have a recital costume(s) ordered if we do not have proper measurements.

*All dancers will receive their costume information note in December.
