Breakfast at Barneys is a family run business founded by two Morris Brown College Alumni friends Barney Lee Berry Jr & Dr. Rashad Sanford. The pair dreamed about creating a place to go during the day in Downtown Atlanta that brings together everyone from all backgrounds to enjoy food, culture and share good times.

This led to the creation of Breakfast at Barneys part breakfast/brunch eatery and part daytime social club which offers decadent comfort food in a highly designed and stylish atmosphere that is at the same time welcoming with great vibes, music, atmosphere and the very best service in the city.
