Registration with our Employment Referral Program requires completion of all the necessary paperwork and correct fee payment.

Our lists in most cities are quite lengthy. Generally you can expect a substantial wait before being dispatched. The wait varies with the positions.

Those registered for referral shall be listed according to their date of continuous fee payment to Local 71. There will be a cap of five years maximum (adjusted daily). Those applications with the same date shall be listed in order of registration.

FEE PAYMENT: The non-refundable fee is \$30.00 per month; the first month's fees are due at the time of registration. The fee may be paid in person or mailed. (The postmark will determine timeliness). **The fee is due on or before the first working day of each month. If the fee is not paid on time, your name will be removed from the list. If you choose to re-register, you will be starting over with a new date.** Your fees must be paid through the month in which you register.

If you wish to be placed on the list, **YOU** must sign up in person. (Mailed applications are accepted if you live outside of the Anchorage, Fairbanks, or Juneau areas).

The Union has a **LOCAL HIRE** provision, which means that we may refer an applicant only to the area where he/she resides. For example, if you live in Kenai, we may not refer you to Seward. If you live in Fairbanks, we may not refer you to Nome. If you move and wish to be placed on the Employment Referral Program List at your new residence location, you will be placed at the bottom of that list.

TELEPHONE CALL OUT: 8:00 a.m. to 12:00 noon, Monday through Friday (except State Holidays).

Registration on the ERP list does not guarantee employment, only that you will be called according to your date of continuous payment. It is the responsibility of the Applicant to make sure our records are up to date.

We send three applicants to interview for each position (with the State). By accepting a job interview you are, in fact, accepting the job if the employer offers it. If you accept an interview and do not show up, or refuse a job at or after the interview, you may lose your place on the list. You are permitted to refuse any referral offered by the dispatcher over the telephone. Doing so does not change your position on the list.

Any applicant employed under a Local 71 contract who quits that employment or is fired for just cause shall be assigned a new date which shall be the date of re-registration.
