**STORAGE & HANDLING:**

- **Warning!** If you scrape, sand, or remove old paint, you may release lead dust. Lead is toxic. Exposure to lead dust can cause serious illness, such as brain damage. Especially in children. Pregnant women should also avoid exposure. Wear an NIOSH-approved respirator to control lead exposure.

- To avoid breathing vapors and spray mist, open windows and doors or use other means to ensure fresh air entry during application and drying.

- If you experience eye watering, headaches or dizziness, increase fresh air.

- A dust mask does not provide protection against vapors.

- Use only with adequate ventilation.

- Wash thoroughly after handling.

- Clean up carefully with a HEPA vacuum and a wet mop.

- **KEEP AWAY FROM CHILDREN.**

- **KEEP FROM FREEZING**

- **FIRST AID:** In case of skin contact, wash thoroughly with soap and water. If any product remains, gently rub petroleum jelly, vegetable or mineral/baby oil onto skin, then wash again with soap and water. Repeated applications may be needed. Remove contaminated clothing. For eye contact, flush immediately with large amounts of water, for at least 15 minutes. If swallowed, get medical attention immediately. If inhalation causes physical discomfort, move to fresh air. If discomfort persists or any breathing difficulty occurs, get medical help.

**ORDERING:**

- Available in 1 gallon cans and 5 gallon buckets.

- Coverage is between 300 to 600 square feet per gallon, per coat, depending on the type of surface and porosity.

DIRECTIONS FOR USE AND SURFACE PREPARATION:

- Apply on steel, slate, aluminum, wood, galvanized and other non-porous surfaces.
- Use as a rust inhibitive primer.
- Use over spalled reinforced concrete where re-bar is showing.
- Prevents sap staining of unprimed wood, and water stains in ceiling panels.
- Markedly reduces corrosion of ferrous metal and enhances adhesion of topcoats over chalky surfaces.

SURFACE PREPARATION

- Surface to be painted must be clean and dry.
- Remove all dirt, excess chalky residue, oils, grease, mildew or other surface contaminants.
- Make sure surface is completely dry before application.

APPLICATION:

- Use brush, roller or spray to apply.
- Do not apply at temperatures below 50º F or when rain, darkness or cold are imminent.
- New regional Volatile Organic Content (VOC) regulations (SCAQMD) differ from the U.S. Environmental Protection Agency (USEPA AIM) national standards, this product can not be sold or shipped to the following area: the greater Los Angeles basin.

CLEANUP:

- Water.
