

CASCO IS NOW A DIVISION OF ECI

“

The addition of Casco Systems expertise in protection, integration and automation to ECI's impressive group of electric power experts creates an industry leading team with a national footprint. It enables our Cumberland, Maine office to execute projects large and small to ensure we meet our client's needs.

KEVIN MAHONEY, P.E.
VICE PRESIDENT, AUTOMATION & INTEGRATION
GENERAL MANAGER, ECI CUMBERLAND
