WELCOME TO MEAD'S GREEN DOOR CAFE,

a vegetarian and vegan cafe in Old Town Orange, serving creative cuisine to be enjoyed by carnivores & herbivores alike! Gary Mead & his team pride themselves on developing flavors that satisfy, even without meat!

Being a family business, it's important to us to think of our future generations by making environmentally sustainable choices, from recycled paper goods to locally grown produce & like minded purveyors. The GREEN DOOR symbolizes a doorway to a greener way of living. We want our customers to feel surrounded by good vibes when they walk through that Green Door. We take care in creating an inviting atmosphere with great art, comfy spaces, & our friendly, helpful staff.

The art at The GREEN DOOR CAFE is the work of Gary Mead Sr., a member of the green door family. Keeping with our philosophy of sustainability, Gary uses reclaimed doors, wood, & fixtures to create his pieces. He has shown at the Guggenheim Gallery, The Leatherby Library gallery, & The Mead Family's previous restaurant, PJ's Abbey. **All art on display is for purchase.**
