

# CREATE A SWEET BABY CATEGORY

## Sweet Baby Broccoli

Sweet Baby Broccoli is uniquely sweet and tender from florets to stem. And because 100% of the product is edible, it helps reduce food waste and kitchen prep.

## Sweet Baby Cauliflower

A sweeter variety of cauliflower, this new vegetable has tender green stems that become brighter when cooked, and sun-kissed golden florets. Easy to prepare, this delicious vegetable has incredible versatility in the kitchen & is sure to be a hit.

Perfect veggies for roasting, grilling, sauté and more!
