Cakes, Cupcakes, Pies and Cookie Care

We crack every egg and bake the old fashion way without the use of preservatives and stabilizers so our goodies are meant to be enjoyed right away. If you plan to store them, we recommend placing them in an airtight container at room temperature or you may refrigerate or freeze them. Keep in mind to always keep your goodies wrapped securely and thaw them at room temperature.

Once the product leaves our premises you are responsible for it.

Prices are subject to change without notice.

Our bakery cases are fully stocked daily however some items on the menu are made to order and require to be ordered at least one day in advance by 12 noon. For larger or special orders we require 3 days to 2 week notice. All orders require a 50%(non-refundable) deposit which confirms your order and will be applied to your order.
