

RPDA Picture Days 2023 Monday and Tuesday, May 8th & 9th

Recital Picture Days will be held at Rhythm Pointe Dance Academy. We are excited to announce that our recital pictures will be photographed by Winship Photography this season! You are not obligated to purchase photos. However, it is nice to have the whole group in our pictures for our studio Composite. We display our studio Composites on the walls at the studio. Please come to your below scheduled picture day & time. Arrive in full costume, makeup, proper color tights, proper shoes, and proper hair style. If you are unable to attend photos, let your teacher know or call the studio (that way we are not waiting on you). Classes will not be held on these two days.

Mon, May 8
