Mission Statement

Our Mission: To empower every Club member, through safe and impactful experiences, to: graduate high school with a plan for college or career, contribute to their community and live a healthy life.

Purpose and Philosophy

Boys & Girls Club of the Pikes Peak Region has a primary goal of providing a comfortable, safe, and stimulating environment, to effectively meet the needs of school-aged children. The teaching staff strives to build a respectful environment while simultaneously meeting individual needs of the children within the group setting.

All Boys & Girls Club of the Pikes Peak Region programs reflect the diversity of the Colorado Springs community. It is a fundamental goal to foster each child's pride and security to his or her own identity while promoting the children's awareness of and respect for others. The curriculum is deliberately multicultural; teachers guide children in exploration of differences and discovery in an atmosphere of trust and mutual recognition. The curriculum is designed to meet the academic needs of the children by conducting activities that promote creative expression and exploratory learning and linking school-age curriculum to each school's curriculum whenever possible.

Boys & Girls Club of the Pikes Peak Region is committed to promoting and supporting all aspects of a child's growth in an atmosphere of respect. Your child is an individual who is an integral member of a group and whose uniqueness is acknowledged and appreciated by that group.

The development and training of staff is a continuous process, which includes attending workshops, listening to guest speakers, and frequent discussions. The staff is encouraged to visit other programs and to take classes related to child development. Each site has a Branch Director and qualified group leaders.

Admission Policy

AGES

Boys & Girls Club of the Pikes Peak Region accepts youth between the ages of 6 through 18 and is open to all without regard to race, color, creed, gender, nationality, or religious preference. Boys & Girls Club of the Pikes Peak Region strives to maintain a **1:20** or lower staff to child ratio. Due to COVID-19 and in accordance with recommendations, the Club will run a **1:15 ratio for the Fall semester**.

FAMILY ORIENTATION

Families are encouraged to speak with their Branch Director to arrange a time to participate in being oriented to our program.

ENROLLING CHILDREN with SPECIAL NEEDS and BEHAVIORAL CHALLENGES

We welcome children with all abilities to our program. To provide the best care for your child, Boys & Girls Club of the Pikes Peak Region asks that parents schedule a meeting with the Branch Director to discuss tips and best practices when caring for your child. If your child experiences challenges or has a special need, we ask that you provide that information when registering your child. **Due to COVID-19, the Club is asking parents/guardians of members with underlying health or respiratory conditions, to not enroll at this time for your child's safety.**

If your child is on an Individualized Education Plan (IEP), we suggest that you share this plan with us to allow for consistency and a smoother transition from the child's school day into our After-School program. A behavior plan may need to be put in place dependent upon how the member conducts themselves within the program. We must be able to maintain our current 1:15 ratio (or typical 1:20 ratio once feasible). If the child requires a one-on-one caregiver, then it will be the parent's responsibility to provide an adequate caregiver. In addition, this person would then have to pass all background checks required by Boys & Girls Club of the Pikes Peak Region.

Charges & Payments Policies

- Due to system limitations, each child's account is only allowed one Parent Portal User. It is recommended that the Parent Portal User be the legal parent/guardian, the primary contact, and the person financially responsible for the account. This also pertains to a joint custody situation.
- Enrollment in a service serves as your **financial contract** with Boys & Girls Club of the Pikes Peak Region.
- **Membership Fee:** Payment for the appropriate membership fee is required to complete enrollment. The membership fee is non-refundable.
- **Initial Payment:** An **Initial Payment** for one month of service is required at the time of the online enrollment, is applied to the first month of service, and is non-refundable or prorated if a child is absent, regardless of reason.
- **After School Monthly Service:** Ages 6-12 years old. Monthly fees will be charged, and payment will be required through the end of the school year or until the Club receives a written two-week notice of withdrawal. Payments for all services are due regardless of your child's attendance and are not refundable or prorated if a child is absent, regardless of reason, including but not limited to illness, suspension, weather, or other Club closures.
- **The Club Teen Service:** An after-school service for teens, ages 13-18 years old. Payment of the **Teen Membership Fee** is required. There are no daily, weekly, or monthly fees for this service.
- **Additional fees for Field Trips will apply.**
- **Additional Services:** School Out Days, Fall, Winter and Spring Break services are not included in the after-school services for the 6–18-year-olds. These services will need to be enrolled and paid for separately, if desired.
- **Rates Subject to Change:** Rates are subject to change without notice. Families who withdraw or are disenrolled from the program for non-payment will have to re-enroll in the program at current rates.

- **Payment Options:** You have the option of choosing Automatic or Manual Payments at the time of enrollment. Debit/Credit card information for payments made through the Parent Portal will remain on file through the enrollment period. If you wish to change your selection after the enrollment is complete, please contact the Central Office.
 - **Automatic Payments** - If you select "Auto Payments" at the time of enrollment, the credit/debit card on file will be charged as indicated on your Payment Schedule. If the charge is declined, you will be notified by email and/or phone. You must make a payment manually through the Parent Portal, via the Pay tab, **and** update credit/debit card information via the Financials tab, if applicable. If a manual payment is not made on the due date, then a second automatic charge will be attempted the following day. If payment is not received the day after it is

due, care will be suspended according to policy. Excessive declines may result in additional processing fees and/or the account being changed to the manual payment option with an adjusted Payment Schedule.

- **Manual Payments** - If you select "Manual Payments" at the time of enrollment, your weekly payments will be due on the dates specified on your Payment Schedule. Payments may be made in the following ways:
 - Credit or debit card through the Parent Portal.
 - Cash or money order at the Club or at the Central Office. Boys & Girls Club of the Pikes Peak Region does NOT have cash on location so please bring exact amounts. Checks are not accepted for Monthly After School services.
 - Receipts will be provided when payment is received at the Club or Central Office.

Late Pick Up

It is important that each child be picked up before the Club closes. If you are going to be late, please call the Club. It may be possible to arrange for a friend, neighbor, or relative to pick up the child/children.

During the school year, only **three** late pickups with fees paid will be allowed by the parent/guardian. Upon the **fourth offense, care will be terminated**, and late pick up fees will apply. Please make sure to list reliable emergency contacts or update them, as necessary. Children not picked up during one hour of close of business **with no communication from parents**, will be referred to the Colorado Springs Police Department as well as the Department of Human Services.

Late Pick Up Fee

Families will be charged \$1 per minute, per child, after the Club has closed. The late pick-up fees will need to be paid prior to your child's next day of service.

Suspension & Termination Due to Unpaid Accounts

Failure on the part of the parent/guardian to keep payments current will lead to suspension & possible termination of services. If payment has not been received by Friday of the week due or the payment arrangement has not been honored, Boys & Girls Clubs of the Pikes Peak Region will accept that as the parent/guardian's two-week notice for withdrawal of their child from the program. Daily service fees will be assessed throughout this two-week period. You authorize Boys & Girls Club of the Pikes Peak Region to collect any outstanding balance(s) by charging the credit/debit card on file. Services may not resume until past due amounts are paid in FULL. An adequate amount of time will be given to contact the Finance Department and pay off any balance due.

Collections

If payment for the balance due is not received via in house collection attempts, your account will be sent to an outside collection agency for the balance due and possible collection and attorney fees. Once your account has been sent to the collection agency, Boys & Girls Club of the Pikes Peak Region no longer holds ownership of the account and cannot retrieve the account or accept payments or payment arrangements.

Annual Payment Summaries (Tax Statements)

You may view and print this report from the Pay tab in the Parent Portal. If you have an outstanding balance, this report will not be accessible through the Parent Portal. Contact the Central Office with questions or concerns. No amounts will be given out over the phone.

Withdrawal from Services

Boys & Girls Club of the Pikes Peak Region requires a **two-week notice** to withdrawal from all services. Withdrawal from service must be done in writing by submitting a Withdrawal Form or emailing registration@bgcpper.org. If a remaining balance is due, payment will be required **before** the last day of care. If there is any credit on the account, it will be applied to outstanding charges, or a refund will be issued. **Failure to withdrawal at least two weeks in advance will result in a continued financial obligation.**

Sign In and Out

A parent or authorized adult over the age of 18 is required to use daily sign in and sign out sheets for documentation purposes for all members 6 years to 12 years old. Boys & Girls Club of the Pikes Peak Region requires a full signature for child arrival and departures. A parent/guardian is required to accompany their child into the program and sign him/her in with the accurate time. Parent/guardian must sign the child out with an accurate time at pick up as well. Members 13 years or older can sign themselves in and out without a parent/guardian signature. Teens will not be allowed to sign in or sign out any siblings under the age of 13 in place of their parent/guardian. **BGCPPER will continue curbside drop off and pick up for the 2021-22 school year.**

Release of Children

Only parents or persons over 18 years of age with pick up authorization will be allowed to take a child from the Club. In emergency situations, the parent may give verbal authorization to Club caregivers. This person will need a valid photo ID and must sign the child out with the accurate time. Contacts may be added/updated through the Parent Portal.

Emergency Contacts: It is important to keep emergency contacts up to date through the Parent Portal. Branch Directors and Program Leads will release a child only to the parent or someone authorized by the parent with proper identification, 18 years old or older as indicated on the

emergency contact list. Please notify the Branch Director if someone not listed on the emergency list needs to pick up your child.

Intoxicated Persons at Pick Up

For the safety of the children, the Boys & Girls Club of the Pikes Peak Region has established a procedure in the event of anyone attempting to pick up a child while under the influence of or impaired by alcohol or drugs. If a staff person suspects intoxication, a conversation will take place and they will call an authorized contact of the child's to pick up. If the individual insists on leaving with the child, the staff will immediately contact law enforcement and advise them of the situation. Failure to comply with this policy could result in termination of services.

Television, Video Viewing, and Video Games

Television will not be watched during school year services. Video viewing can be used in conjunction with the curriculum, to expand learning concepts and activities, and for special celebrations on a limited basis. Videos will be rated G or PG. Use of video game systems will also be limited and games will be appropriately rated for use with children.

Electronic Devices

Boys & Girls Club of the Pikes Peak Region recognizes the importance of children having a cell phone and being able to communicate with parents. However, cell phones, iPads, tablets, and gaming devices are not allowed out during Club programming. Electronic devices may be used during free time and only for a limited amount of time. If a child continues to violate this policy, they will be asked to leave their devices at home.

Absence Policy

It is vital that Boys & Girls Club of the Pikes Peak Region is contacted if a child will be absent. Boys & Girls Club of the Pikes Peak Region must be notified within an hour of the child's service start time. If children are being transported by the District bus or Club van from the school to the Club, it is important that staff know which kids will be arriving/being picked up for the day. Continual failure to communicate with the Branch Director regarding changes or cancellations for transportation will result in termination of transportation. This is at our discretion and for safety purposes.

Illness Policy

For a child to get the most out of the Boys & Girls Club of the Pikes Peak Region program, he/she needs to be in good health. Do not bring a child if he/she cannot participate fully in the indoor and outdoor activities. Please do not send a child if he/she has a fever or is vomiting. Please notify the program if your child is going to be absent three or more days because of illness.

If a child shows signs of illness or injury, staff will contact the parent/guardian or emergency contacts to alert them to the injury or symptoms of illness. If symptoms are deemed serious it is expected that the parent/guardian will arrange for the child to be picked up within one hour of the original phone call.

Staff will make every effort to comfort the child by providing a secluded area for the child to rest. In case of an emergency, 911 will be called. If transportation or medical costs incur, the parent/guardian will be held responsible for all financial fees.

Communicable Illness

When children have been diagnosed with a communicable illness such as hepatitis, measles, mumps, meningitis, diphtheria, rubella, salmonella, tuberculosis, giardia or shigella, the parent/guardian must notify the center immediately.

Children will not be admitted back to the program without a physician's note stating the child is clear of the communicable illness. If a child is found to have lice, they will not be admitted until all nits are gone. Children with pink eye are required to be on medication and wear an eye covering before they will be admitted.

Staff members with a communicable illness will not be permitted to work or have contact with children or other staff members if the illness could be readily transmitted during normal working activities.

The day a communicable illness or parasite is discovered in our facility, Kids Club 360 will inform the parent/guardian in writing by:

Posting a sign on the door

Posting a sign on our bulletin board

Giving each parent written information on the specific illness

Posting a sign on the sign in/out sheet

Facility staff will ensure that the name of an ill child or staff person remain confidential.

Medication Administration

Boys & Girls Club of the Pikes Peak Region will administer medication to a child ONLY after receiving a completed medication release form from the parent or guardian which can be found online. For each child receiving medication at the site, a release form will include:

- The name of the medication
- The dosage
- The route of administration
- The times and dates to be administered
- The illness or condition being treated
- The parent or guardian signature
- The physician's signature

The medication form will be checked for completion by the Branch Director. The prescription label does not serve as the doctor's orders. **DO NOT** send medication with the child. Please give the medication directly to the Branch Director. Medication is stored and locked in a secure box.

Boys & Girls Club of the Pikes Peak Region will only have medication administered to children by a trained, designated caregiver. This caregiver will be trained to:

- Check the label and confirm the name of the child
- Read the directions regarding administration of medication
- Properly document administration of medication – Boys & Girls Club of the Pikes Peak Region will maintain medication records for six weeks that include:
 - Times, dates, and dosages of the medication given
 - The signature or initials of the caregiver who administered the medication
 - Any errors in administration or adverse reactions

The Branch Director or designee will report any adverse reactions to a medication or error in administration to our contracted nurse and the parent or legal guardian. This will be reported immediately upon recognizing the error or reaction. Medications stored in refrigerators will be in a locked container.

For over the counter and prescription medications, they must:

- Be in the original or pharmaceutical container
- Have the original label
- Include the child's name
- Have a child proof cap
- Have instructions for administration

The Branch Director will return any unused or out-of-date medications to the parent or guardian. *(The parent/guardian may wish to have the pharmacist use two containers for medicine so that one may be left at Boys & Girls Club.)*

Boys & Girls Club of the Pikes Peak Region staff are unable to administer aspirin, aspirin free tablets, cough lozenges or medical ointments unless a doctor prescribes them in writing. The "Medication Administration" form is available online.

Allergies and Allergic Reactions

Parent/Guardian must notify the Boys & Girls Club of the Pikes Peak Region if a child has an allergy or an allergic reaction to any food or drug. A list of children and their allergies will be maintained and kept confidential at each Club. In the event your child has an allergic reaction we are not aware of, we will take steps to ensure the safety and well-being of the child up to and including contacting emergency personnel for assistance at parent/guardian expense.

Daily Schedule

In meeting our goal, Boys & Girls Club of the Pikes Peak Region have designed an outcome driven club experience that is both consistent and flexible. Having a predictable routine helps the youth feel secure and increases his or her confidence.

Each day includes both Club staff-organized and child-initiated activities, indoor and outdoor activities, active and quiet periods, group, and individual play. Specific daily schedules are posted at each Club location.

Training and Orientation of Caregivers

All program staff members are 19 years or older and meet all Boys & Girls Club of the Pikes Peak Region program qualifications. Each staff member completes orientation training prior to working on the floor as well as quarterly trainings which are provided by the Operations Department and/or the Branch Director.

Orientation Training includes:

- A job description
- An introduction and orientation to the children, which includes special conditions such as allergies and medical conditions of any child
- Procedures for releasing children to parents or guardians
- Club policies and procedures
- Reporting requirements for witnessing or suspicion of abuse, neglect, and exploitation of children and how to make a report
- Employees will be required to read the Policies and Procedure Handbook for our families
- All caregivers are required to have a minimum of fifteen hours of documented in-service training each year.

The following in-service training topics must be addressed annually:

- Standard Precautions which include information on proper hand washing, OSHA requirements, and sanitation techniques
- Proper procedures in administration of medications
- Recognizing early signs of illness and determining when there is a need for exclusion from the facility.
- Accident prevention and safety principles
- Reporting requirements for abuse, neglect, and exploitation
- Positive guidance for management of children
- CPR/First Aid

Each program's Branch Director and Program Leads are responsible for knowing the current rules and regulations and always adhering to them.

Additional training opportunities available through outside agencies, videos, reading materials and other sources may be made available through the Operations Department and/or Branch Director.

Supervision and Protection of Children

Boys & Girls Club of the Pikes Peak Region ensures that all children are adequately supervised. Our level of supervision includes maintaining child to caregiver ratios. The Branch Director will ensure that ratios are adjusted to maintain the levels of supervision and care by being able to hear and see our children.

Each location will use a half hour tracker. Half hour trackers are always used by staff to keep an accurate head count and track the movement and whereabouts of all members of the program.

When a child moves from one activity area to another, the staff will communicate through walkie talkie and alert another staff that the child is headed their way. Once the child has been received, that staff member will communicate that, and all staff will adjust their numbers as needed.

When children are using the bathroom, Boys & Girls Club staff supervises and protects with a staff member monitoring from outside the bathroom.

When children are in a large group, such as outside on the playground, during off-site activities, on a field trip, or participating in a special mixed group activity, supervision and protection will be maintained.

Lost Child

At Boys & Girls Club of the Pikes Peak Region, every step will be made to ensure the safety of every child – Hence, the importance of daily sign in and out sheets and headcounts. Boys & Girls Club of the Pikes Peak Region does recognize that no matter how careful, accidents may still occur.

Staff are trained to never leave the children unattended. Children will be in view at all times.

Branch Directors or Program Leads must always have a means for determining who is present at Boys & Girls Club of the Pikes Peak Region.

If it is determined a child is missing, the following steps will be taken:

- Staff will check the bathroom
- Staff will check around the immediate area where child was last seen
- Staff will check all rooms where the child would typically go and other rooms of use in the program

If the child is not found after a fifteen-minute search, staff will contact emergency personnel, the child's family, the supervisor, and file a lost child report.

Guidance and Discipline

Discipline will be approached in a positive, consistent way. Rules, expectations, and limitations are simple and understandable. Employees strive to model, teach, and encourage good communication skills, problem solving skills and positive interactions. When a child displays inappropriate behavior, the situation will be discussed with the child and the child will be instructed on how to appropriately handle similar situations. Brief separation is sometimes necessary to relieve undesirable situations. In cases of extreme behavioral issues or where a child who has been identified with special needs has behavior issues, parents will be partnered with to develop a behavior support plan. Information may be given to the family about programs and services available to assist them and their child. It is expected that parents support our staff and work as partners to keep consistency in behavioral expectations. Frequent acts of misconduct may result in suspension or expulsion from the program.

Boys & Girls Club of the Pikes Peak Region uses discipline to encourage the child's self-control and reduce risk of injury and any adverse health effects to self or others. Staff will use the following positive discipline measures for children: positive reinforcement, Positive Youth Development, Love & Logic, redirection, and verbal praise.

The following rules help caregivers, parents, and children understand the expected conduct at Boys & Girls Club of the Pikes Peak Region:

- Keep hands and feet to oneself
- Follow the directions of adults
- Use equipment properly
- Treat others with respect
- Use appropriate language
- Settle disagreements by discussing them

*Discipline measures will **not** include any of the following:*

- Forced physical exercise to eliminate behaviors or use of punitive work assignments
- Use of abusive, demeaning, or profane language

- Punishment by peers or use of group punishment for individual behaviors

Parent Communication, Involvement, and Participation

Boys & Girls Club of the Pikes Peak Region encourages parents to talk to staff daily. We invite parents to share their skills/talents with the children. Parents may request a conference with the Branch Director or schedule an appointment to visit at any time. To keep parents well informed, important schedule changes, forms requiring signatures for events and announcements are posted on or near the front desk.

Your cooperation in the Boys & Girls Club of the Pikes Peak Region program is important because it creates a partnership in the development of your child. Since children are often in

our care for several hours, we view ourselves as a meaningful part of your child's life. It helps staff to know about family changes, such as a deployment, marriage, divorce/separations, or a new family member. Staff will also share any concerns that arise.

Parent and Children's Rights

Rights as a Child in the Program

All children in our program have the right to be treated in a non-discriminatory manner and have the freedom to express, practice religious and spiritual beliefs. Boys & Girls Club of the Pikes Peak Region encourages children to bring their questions and concerns about our program first to the Program Leads and if further assistance is needed, then to the Branch Director.

Rights as a Parent in the Children's Program

As a parent concerned with your child's well-being and education, Boys & Girls Club of the Pikes Peak Region encourages parents to bring their questions and concerns about our program first to the Branch Director. If any issues remain unresolved, a meeting may be requested with their direct supervisor.

Please watch for postings at your child's Club for potential field trips.

No child will be transported in any mode of transportation that the Colorado Department of Human Services does not deem safe and acceptable. Children will remain seated in seat belts while the vehicle is in motion. Keys will be removed from the vehicle any time the driver is not in the driver's seat. Smoking is prohibited in the vehicle.

- Be able to maintain temperatures between 60-90 degrees Fahrenheit
- Be equipped with individual, size-appropriate safety restraints
- Be enclosed
- Be locked during transport

Expectations During Travel

Before the children go on any field trip, bus expectations and safety rules will be discussed with the children. The following guidelines are for all members while on the bus:

- Children's backpacks and bottoms stay in the seat
- Children are to always face forward
- All body parts & belongings remain inside the bus
- Inside voices or whispers are to be used while on the bus
- One staff remains on bus while children unload to check for children and personal belongings
- Attendance is taken while children load/unload the bus

Emergencies During a Field Trip

If an emergency occurs while off site, staff will take roll and move the children to a safe location, notify their direct supervisor and parents will be notified by the office. Staff will alert the bus driver and evacuate children depending on the situation.

Emergency and Disaster Plan

Boys & Girls Club of the Pikes Peak Region has an emergency and disaster plan which includes procedures for reporting emergencies and evacuating the facility. This written plan is at the Club and accessible to all staff. Evacuation plans are posted in prominent locations of each room or areas of the Club. Shelter conditions can include weather related issues such as tornado, flood, lightning, or blizzards. Shelter can also take place if there is a safety or health risk outside of the building.

When staff and members are out of immediate risk, parents/guardians will be notified when they can come and pick up their child(ren).

Medical emergency or injury involving a child

- If there is a life-threatening injury to a child, the Branch Director will contact emergency personnel before contacting the parents or legal guardian. Parents are responsible for any medical or hospital fees or costs associated with the child's medical treatment that may proceed without further authorization.
- If parents or legal guardians cannot be reached, the Branch Director will then attempt to contact the child's emergency contact person.

For any medical emergency or injury involving a child, the following steps will be taken by staff:

- CPR/First Aid will be administered if needed
- Accident report will be filled out and signed by a legal parent/guardian

It is the parents/guardian's responsibility to keep their emergency contacts and other information updated so that staff may reach parent/contact in a timely manner.

Food Service

Boys & Girls Club of the Pikes Peak Region participates in the Colorado Child and Adult Food Program (CACFP) which assists in providing nutritional meals at an affordable rate. The Boys & Girls Club food service menus meet the guidelines of the USDA Child Care Food Program. This institution is an equal opportunity provider for CACFP.

Children are provided snacks daily after school, but may be required to bring a nut free, non-refrigerable, non-microwavable lunch on School Out Days and Holidays. Snacks consist of two of the food groups; 100% juice may be served in place of a fruit and milk may be one of the components. Menus are posted at each site and available for parent review. Substitutions or corrections will be noted on the menu, if applicable. Food is to be eaten in the designated area. The children must wash their hands before and after eating.

If your child has allergies, please notify staff immediately. If your child has special food needs, Boys & Girls Club of the Pikes Peak Region requires that you complete a **Special Dietary Statement Form** which will need to be signed by your physician.

Boys & Girls Club will only substitute food items based on food allergies with a doctor's note and submitted Special Dietary Statement Form as described below.
