Technical Performance

Design Engineered to Last

Our tableware is materially and design engineered to last in a professional setting, from our unique clay recipe and controlled kiln environment to durable shape design and long-lasting finishes.

Raw Materials

Our raw materials are responsibly sourced and carefully selected to create a strong, long-lasting product.

Engineered Shapes

Built for the demands of professional kitchens, Ariane products offer extra strength where it matters and lighter handling where it counts.

Vitrification

Vitrification is essential for professional tableware, it's the process of altering the particle structure of our ceramics to create a dense and watertight body, thereby creating a stronger and more food safe ceramic product.

Paros Sand

Canvas of Earthy Essence

The Shell Sand and Sand Collections are inspired by the natural beauty of earth's landscapes, bringing warmth and style to the dining table. Shell Sand captures the charm of the golden beach, from soft sandy beige tones to organic textures that call to mind the sunlit shores of Grecian coasts. Earthy tones blend tastefully with bold colours, making it a striking canvas with an understated sophistication that is bound to enhance the presentation of culinary creations.

Both Shell Sand and Sand are put together with Ariane's attention to detail and solid craftsmanship, making them ideal for the rigorous demands of the hospitality industry while maintaining an artistic appeal. These collections celebrate the union of nature and design that transforms every meal into a sensory journey between creativity, elegance, and a deeper connection with our natural surroundings.

Paros Aqua

Dive into Mediterranean Sophistication

The Shell Aqua and Aqua Collections are a celebration of coastal serenity and oceanic beauty, designed to bring the essence of the sea to the dining experience. Ariane's Shell Aqua draws inspiration from the crystalline waters and timeless elegance of the Mediterranean, showcasing aquatic hues and graceful patterns infusing tranquility and sophistication onto every table.

This collection is ideal for casual dining or sea-inspired banqueting, providing a refreshing backdrop and enhancing the vibrant colors and textures of every dish. Its graceful designs evoke the romance of coastal living, making it an ideal choice for seafood platters, Mediterranean-inspired delicacies, or any culinary creation that deserves a touch of maritime charm. The Aqua Collection is a refined tribute to the ocean, featuring ruffled textures and blended blue-green tones inspired by the interplay of waves in the sunlight. Each piece captures the essence of coastal beauty, transforming every dining occasion into an immersive and memorable experience.

Thoughtfully designed for both practicality and elegance, the Aqua Collection resonates effortlessly with the hospitality sector. Paired with the Shell Aqua, it forms a seamless blend of form and function, offering a dining experience reminiscent of a tranquil seaside escape. Every detail reflects Mediterranean charm and the serenity of oceanic tranquility.

Athena

Grace of the Greek Isles

Tradition meets history with elegance in Ariane's Athena Collection, a tribute to the timeless beauty of the Greek Isles. Boasting of delicate wave-like designs in soft pastel hues, the collection draws its inspiration from the ancient Greek art and culture.

Each piece in this collection embodies the grace and charm of Greece, with designs that echo the simplicity and harmony of Mediterranean living. The neutral yet striking aesthetics will allow versatility in pairing with a variety of cuisines, bringing forth the visual appeal for every dish served.

Athena is strong and beautiful. The collection transfers the heart of Greece onto your table, making unforgettable dining experiences and speaking volumes about tradition, artistry, and contemporary elegance. Perfect for chefs, restaurateurs, and hoteliers, the Athena Collection adds sophistication in casual dining and fine banqueting

Tangier

Moroccan Magic on Your Table

Ariane's Tangier Collection is an extravagant journey into pulsating Moroccan bazaars and their ornate architecture. Intricate geometric patterns decked in warm earthy tones shed light on the rich heritage of North Africa. The Tangier pattern was designed especially for chefs and restaurateurs seeking to bring an exotic and unique touch to their table settings.

Reflective of mosaic designs gracing the famous courtyards and palaces in Morocco, the richly warm terracotta, creamy ivory, and soft blues mould into a vivid table presentation blending into any culinary setting, seamlessly.

Robust and elegant and at the same time, it's the perfect blend of tradition intertwined with contemporary trends of fine dining. Each piece in the collection narrates a story of artistry and fine craftsmanship. Tangier is an invitation to discover and relive Moroccan heritage taking diners on a delicious and breathtaking journey.

Palma

Rustic Mediterranean Charm

The Palma Collection by Ariane is a tribute to the stunning and breathtaking views of Palma de Mallorca. Its earthy tones, faded blues, and weathered patterns come together to bring alive the timeless Mediterranean beauty that soothes the senses of the diners.

With tiered textures and ornate motifs of Palma, the collection adds a rustic elegance to the table. From casual dining and tapas to grand banquet settings, the Palma Collection will satisfy professional kitchens with ease transforming meals to enduring memories.

Designed for resilience and flexibility, the Palma Collection is as functional as it is beautiful. Every piece offers a special combination of artistry and functionality to ensure every meal is unforgettable. Drawing from the luminance of the Mediterranean and the charm of Spain, the collection blends rich cultural heritage, with solid craftsmanship.

INGENIOUS TECHNOLOGY

Behind the subtle designs and durability lays a robust technology that combines premium raw materials like kaolin, quartz and feldspar and optimizes the usage of these raw materials to extract their best properties. The combination of modern state-of-the-art manufacturing facilities, and up-to-date German machineries, produces exceptionally durable porcelain dinnerware items, maintaining a value for money proposition.

INTERNATIONAL DISTRIBUTION

Accessibility is the key to a great brand. We live up to this expectation by deploying an easy reach distribution strategy that comprises strategic tie-ups with leading hotel suppliers and industry players from all over the world. You'd find us in all leading hospitality procurement hubs.

DESIGN AND FUNCTIONALITY

Service with a personal touch plays an integral part in the world of hospitality. We offer the possibility for personalization according to all our clients' company identities and special requirements. The result is modern designs combined with individualism. Ariane Fine Porcelain offers a flexible approach to customized decorations and production lines with personalized décor, shapes, patterns, décor variations and custom-made logos to its customers in order to meet all their diverse requirements.

COMPETENT SERVICES

At Ariane Fine Porcelain an effective and clear distribution & replacement structure has been put in place to give an effective delivery and after-sales service.

CERTIFICATIONS

Ariane Fine Porcelain successfully meets stringent global quality standards such as physical tests certification from SFC France and quality tests (dishwasher safe, edge-chip resistant, microwave & oven safe, steel/metal marking test) certifications by LUCIDEON, UK for our superior quality porcelain tableware that live up to world-class international standards.

Ariane Fine Porcelain has certified the ISO 9001:2015 for quality management and SA-8000:2008 for social accountability by TÜV, Germany.

Ariane Fine Porcelain products have approved with the Vegetarian Society of UK for being 100% vegetarian. Every article of table ware contains no bone ash. Ariane Fine Porcelain thereby provides an absolutely hygienic vegetarian solution to markets that are exclusively vegetarian. It has also certified by Halal Committee, Mumbai, India.

In the printing of this brochure, every effort has been made to ensure perfect reproduction of product colours, but due to printing limitations, they may not be an exact match to the actual product.

The contents of this catalogue may be changed or cancelled at the discretion of the ARIANE management without prior notice.

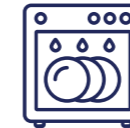

QUALITY WITHOUT COMPROMISE

Hospitality is a demanding industry that has specific, ever-evolving needs. The unique blend and amalgamation of raw materials, breakthrough technology and a quality assurance team, guarantees that all Ariane Fine Porcelain items are kept in line with these requirements.

5-Year Edge Chip Warranty

The Edge Chip Warranty guarantees that the edges of specified items will resist chipping under normal, professional use. If chipping does occur during proper handling, we may offer a product replacement as per the warranty terms.

DISHWASHER SAFE

Our porcelain is fired at high temperatures which making it highly resistant to repeated dish washing cycles at high temperature.

MICROWAVE & SALAMANDER SAFE

Ariane Porcelain products are both microwave and salamander safe due to their heat resistant layer of glaze. (Other than products with all kind of decorations including with precious metals like Gold, Platinum etc).

SMOOTH APPEARANCE

The special glaze fired at high temperatures not only gives all our porcelain a smooth, clean finish, but also ensures that it becomes completely non-porous, guaranteeing higher levels of hygiene.

ABRASION PROOF

The special glazing fired under high temperature ensures strong resistance to scratches or abrasions.

LIMITED DANGER IN CASE OF BREAKAGE

The products are designed to avoid breakage hazards, as they break cleanly into safely manageable pieces.

THERMAL SHOCK PROOF

Ariane Fine Porcelain not only retains heat to keep the food warm, but also is resistant to variations in temperature.

PERFECT FUNCTIONALITY

All our designs focus on absolute functionality. Most items are stackable including cups, bowls and platters, which enables the most efficient use of space.

HIGH CHIP RESISTANCE

The special high alumina material used by Ariane Fine Porcelain offers strength, durability and resistance against chipping to critical points like edges of cups, plates and handles.

ARIANE ANTI-MICROBIAL TECHNOLOGY

Ariane Fine Porcelain brings to you the first commercial porcelain tableware that incorporates "Anti-Microbial Technology" and also manages to meet the demands of high-volume food-service operations from fast-casual eateries with counter service to fine-dining restaurants.
