

Two voluminous gallery spaces grace the West 27th Street side of "Zaha Hadid 520 West 28th" with glass frontage, high ceilings and plenty of uninterrupted walls. This space can also be combined with ZH519 next door to create a magnificent 5,410 RSF gallery with access to the IMAX theater.

Together with ZH519, 511 West 27th, the High Line Nine Galleria, and the 22 other galleries on the street, ZH521 and ZH523 will create a new "Gallery Row" in the new West Chelsea.

- 4,410 SF (410 m²) new gallery space
- Also divisible to two galleries:
 - ZH521 - 1,900 SF (130 m²)
 - ZH523 - 2,510 SF (279 m²)
- Beautiful glass frontage
- 16' ceilings
- Concrete floors and virtually column free
- Oversized doors for oversized art work
- Landlord contribution negotiable
- Estimated delivery in late Spring 2017
