## Required Medical Claim Forms

### Why do we need an Injury/Illness Claim Form?

We receive this question often, so we wanted to explain the reason this form is so important.

When we receive a claim from your medical provider, we only receive the diagnosis (for example, "foot pain") with no explanation for the reason for the visit. Completing the Injury/Illness Claim Form gives us the additional information we need to properly process your claim.

If you continue to receive treatment for your injury or illness, an updated Injury/Illness Claim Form must be completed every six months.

### Self-Funded Plan

We are a self-funded plan, which means your employer contributes to the Fund for every hour you work. It is our responsibility to ensure these contributions are used appropriately so we can continue providing quality benefits to all members.

### Determining Responsibility

We understand that being a laborer is hard on your body. However, without a completed Injury/Illness Claim Form, we cannot determine if someone else may be at fault. *For example, were you in a car accident?*

### Subrogation and Reimbursement Form

Depending on the circumstances of your injury or illness, you may also be required to complete a Subrogation and Reimbursement Form.

This form allows the Plan to pay your medical claims while you are waiting for payment or settlement from a third party, helping prevent your provider account from going into collections. If the third party denies the claim completely, the Plan may reconsider payment of the claim.

**By signing the Subrogation and Reimbursement Form, you agree to pay back the Fund for all claims related to the injury or illness if you receive a settlement.**

Please make sure the injured party signs the back of the form. If the dependent is under age 18, the member or legal guardian must sign. You can mail, fax, or email the form to [claims@stllaborers.com](mailto:claims@stllaborers.com). For questions, call (314) 644-2777.

## Pension Wall of Fame

### Mark Sneed

He's a proud Local 110 member with 43 years of hard work behind him.

As he begins his retirement, he's excited to spend more time with his family, take bike rides, and travel across America in an R.V.—truly "Living the Dream!"

### Chester Weller

He's a proud Local 42 member with 16 years of hard work behind him.

In retirement, he's looking forward to spending time with his grandkids, watching wrestling and soccer, and enjoying a slower pace of life. He also plans to spend more time with his son, who recently graduated from Southern Illinois University Carbondale with a degree in Agricultural Business.

*Congratulations on your  
Retirement!

# Why was my prescription denied?

There are a couple of reasons this may happen. The pharmacy may be using incorrect insurance information, or we may be waiting on required forms from you.

## Verify Your Insurance Information

If the pharmacy tells you that you are **not insured**, first make sure they are using the correct (which is located on the back of your insurance card):

- Rx Group Number—SLCLWF
- BIN Number—610011
- PCN Number—IRX

## Coordination of Benefits (COB) Form

If you recently visited the pharmacy and you were told you have **other insurance coverage**—but you do not—this usually means that we have not received your Coordination of Benefits “COB” form. We mail the form annually during the member’s birthday month.

**Even if no one in your family has other coverage, you are still required to complete and return the form every year.** Keep in mind that any dependents who are 18 years or older will have an Adult Child Coordination of Benefits (ACOB) form to complete and sign.

If your birthday has already passed and you have not filled out this form, call the **Benefit Office** at (314) 644-2777 ext. 2 to have a form mailed to you. You can also access the form online by visiting [stllaborers.com](http://stllaborers.com).
