“Protect Your Business with TAB’s Texas Residential Construction Contracts”

Presented by: Don Shelton
Bush Rudnicki Shelton, P.C.

With the 2021 Regular Session of the Texas Legislature under our belts, TAB will release its contracts package for the 2021 – 2023 cycle on September 1, 2021. This is your opportunity to learn about revisions to the contracts package and to talk with one of the attorneys who has been instrumental in the writing and updating of TAB’s form contracts. There are so many changes this cycle that legal counsel says it is a must to purchase the new package or include all new provisions.
