MORE ABOUT ONWARD ATHLETICS

Onward Athletics, Inc. is a 501(c)(3) non-profit organization providing high-level amateur sports training programs and competitions focused on Olympic-style youth travel baseball and Olympic-style boxing. The "Onward philosophy" extends beyond the boundaries of the field of play. It's a way of life for the Gwinnett couple that founded the organization after recognizing opportunities to enhance the athlete experience in youth baseball. Establishing a new ball club was a natural progression after the success of their parent company, Team Onward, Inc., which produces boxing equipment and athletic apparel for some of boxing's brightest stars. Within four years, Team Onward, Inc. has assembled an impressive roster of the nation's top amateur and professional boxing talent with the Onward Fight Team. We plan on continuing that winning tradition with the Onward Athletics baseball team!
