SHOWCASE STUDENT

Gabe

Gabe is a third grader at McAndrew Elementary. He loves playing the drums and is always excited to learn new fills and techniques with Damien and Nathaniel. His favorite part is preparing for and performing in the shows where he gets to be on stage. Outside of music, Gabe is an animal lover, an athlete, and an avid reader. He plays multiple sports throughout the year, bringing the same energy and enthusiasm to the field that he does to the drum set. He founded the McAndrew “Page Turners” book club, where he encourages classmates to discover new books and share their love of reading.

AI is now live!

Anthem’s owner, Nathaniel Villarreal, has released a brand-new single, “AI,” with Sony Universal and Curtain Call Records; his first major release in three years! The song is now available on all major streaming platforms, and we’re excited to share it with our Anthem community. You can find it on Spotify, Itunes and other streaming platforms. Find the song and help Nathaniel take it to the top charts. If you’re interested in learning more about recording your own music, connect with us—we’d love to help you get started.
