Ohio's Safe Business Practices for Getting Back to Work

1. Require face coverings for employees and clients/customers at all times.

2. Conduct daily health assessments by employers and employees (self-evaluation) to determine if "fit for duty."

3. Maintain good hygiene at all times – hand washing and social distancing.

4. Clean and sanitize workplaces throughout workday and at the close of business or between shifts.

5. Limit capacity to meet social distancing guidelines.
   - Establish maximum capacity at 50% of fire code.
   - And, use appointment setting where possible to limit congestion.
