

Dear Customers and Friends,

We are grateful for your continued support and generosity since the shelter in place mandate in March. Our business remains open because of you.

The County of Marin has approved dine in service for restaurants effective June 29, 2020. We have completed our Site-Specific Protection Plan mandated by the County and ready to open for dine in service. However, considering the recent surge in coronavirus cases, we have decided to postpone dine in service at Uchiwa Ramen until further notice. The safety and well-being of our friends, employees and family are our top priority.

We will continue to offer takeout/pick up (online ordering is now available on our website) and delivery services and will let you know as soon as we decide to reopen for dine in service.

Thank you again for helping Uchiwa Ramen remain open to serve you and the community. Please stay safe and we hope to see you again soon!

Ben and Kevin
