POLSKI MIESIĄC in Cannonsburg

Where there's even a Polish Moose!

POLISH MOOSE HUMOR....

Two Polish hunters named Donald and Gordon, hired a pilot to fly them into the Canadian wilderness, where they managed to bag two big Bull Moose. As they were loading the plane to return, the pilot said the plane could take only the hunters, their gear and one Moose. The hunters objected strongly saying, "Last year we shot two, and the pilot let us take them both. And he had exactly the same airplane as yours." Reluctantly the pilot, not wanting to be outdone by another bush pilot, gave in and everything was loaded. However, even under full power, the little plane couldn't handle the load and went down, crashing in the wooded wilderness. Somehow, surrounded by the moose, clothing and sleeping bags, Donald and Gordon survived the crash. After climbing out of the wreckage, Gordon asked Donald, "Any idea where we are?" Donald replied, "I think we're pretty close to where we crashed last year."

POLSKI MIESIĄC (Polish Month) in the Village...

In all seriousness, though, we will be celebrating Polish fare all month long throughout the Village. Polish food represents a lot of what the Village is about...not only is the leader of the Village Polish but Polish food reminds of us community, family, wholesome cooking, and yes a little quirkiness. So we hope to you're able to stop by and celebrate with us this October.

Honey Creek INN

Polski miesiąc (Polish month) is here in the village. All month of October we will be serving up a special Polish dinner menu Monday through Saturday starting at 5 pm. Chef Mike has worked hard on putting together a menu of items that will hopefully give you memories of your busia's cooking. If you're not Polish, this is your chance to taste real down home Polish meals with, of course, just a little bit of the Honey Creek touch. Because we will be hand-making many parts of these dishes we will be taking off our weekday specials menu for October so we will have the time to produce the Polish menu each night. In addition to the Polish fare, we will have Okicim O.K. lager on tap throughout October. O.K. beer as it is known, is an authentic Polish pale lager. It pairs perfectly with the kielbasa and golabki!

Also in October, we will be updating our bottled/can beer list for the fall. Some of the new features on the list will include: Sam Smith Taddy Porter, Lord Hobo Boom Sauce Double IPA, Stroh's Detroit Style Lager, and Greenbush Star Chicken Shotgun IPA. As for our draft list in October, look for the beers below that will be on tap most of the month!

Lord Hobo Hobo Life IPA ■ Founders Unground Mountain Brown ■ Bells Best Brown ■ Right Brain Chubby Squirrel Spiced Amber ■ Mitten Country Strong IPA ■ Okicim O.K. Lager
