

Wisconsin's strong brewing traditions have helped it cultivate one of the most active and noteworthy craft brewing scenes in the nation. At Millie's Supper Club, we proudly feature an all-Wisconsin beer list.

Whether it is one of our nostalgic beers you grew up watching Dad and his buddies drink or a unique craft brew from our neighbor to the north, we have a variety of selections for you to partake in. We offer a variety of macro beers, such as Blatz, Hamm's and Miller High Life, as well as craft beers from Tyranena, Three Sheeps, Ale Asylum, Hinterland, Lakefront, Sprecher's and Central Waters breweries.

In an effort to be great hosts and ambassadors of Wisconsin's culture, all of our Bartenders and Servers undergo extensive beer training and have successfully passed the Cicerone® Program Certified Beer Server exam.
