

Product Name	Pallet Netting
Technical Name	Heavy Duty Multi-Filament Polypropylene (HDMFPP)
Color	Black
Applications	Palletized Manufacturing Rugged Field Installations
Packaging	Rolls
Degradation Characteristics	Photo-degradation
Available Diameters	8",12",18",24",32"
Opening size	1/8"
Strength (ASTM 5035)	250 psi
UV Stability (ASTM D 4355)	100% at 1000 hours
Minimal Fuctional Longevity	2 years*

*** Life expectancy will vary with weather and product storage conditions**
