

SUN FARMER TESTIMONIALS

TOM PUGLISI

Puglisi Egg Farms

“We got our first project up in 2022. Now we have our second project done, our third project coming up this year, and a fourth on the way. We're really happy to be working with you guys and continue the partnership.”

MULTI-PHASE APPROACH TO SOLAR

JOE COLACE

Five Crowns Majesty Marketing

“We are so grateful for the opportunity to work with Jordan Energy. We're very like minded. Core values for us, Five Crowns it's really about faith, family, farm. It's simplistic but actually speaks to what is important to us as a family.”

SOLAR ON COLD STORAGE FACILITY

JASON STORM

Storms Oasis Dairy

“The nice part is that's a spot that wasn't getting used. We are out in the desert here, there's not enough rainfall to grow a crop there. There's not enough grass to feed one cow for five days.”
