Building your menu is as easy as 1,2,3.

Pick your assortment of items and we will make sure there is enough for everyone.

Tacos are one per person per entrée and sandwiches and burritos are half per person per entrée. Wings are 3 pieces per entree per person and salads and bowls will be approximately half of a full size order per entree per person. In addition to entrees, pick your two sides and any drinks or desserts you may need. Send it over and we'll take it from there.
