

Fish Processing Plant Worker (NOC 9463)

HOURS: Full Time

LOCATION: Icy Waters Ltd., Whitehorse, Yukon, Canada

ENTRY WAGE: \$17.00 per hour

REQUIREMENT: Must have valid permit/visa to work in Canada

Icy Waters Ltd. is a 25 + year old Canadian aquaculture company dedicated to the development, growth, processing, and sale of premium Arctic Charr and “Yukon Gold” Arctic Charr ova.

We are seeking experienced applicants to fill (1) one full time permanent position, 40 hours per week, as a Fish Processing Plant Worker.

Responsibilities

- Harvest fish for processing
- Set up, operate and adjust fish processing machinery
- Record production information such as quantity, weight, date, and type of product
- Carefully hand cut, clean, trim fish with a knife and pin bone fish with pliers
- Sort, weigh, grade and package fish to fill customer orders
- Review orders and ensure they are filled correctly
- Follow all company and regulatory guidelines including safety, food safe, QMP
- Clean processing area and machinery
- Participate in after hours alarm rotation
- Reliability to report to work as scheduled including weekdays, weekends, night rounds, irregular hours

Work Conditions and Physical Capabilities

- Physically demanding; stand for extended periods; lift and carry 50 lbs.
- Repetitive tasks performed in cold/refrigerated and wet environment, indoors/outdoors
- Work effectively in a fast-paced environment, sometimes under time constraints
- Ability to communicate effectively in English
- Self-starter, able to work independently, good interpersonal skills
- Attention to detail, accurate record keeping

Required Documentation

- Valid and Current Canadian Driver's license
- Proof of legal ability to work in Canada, valid permit/visa
- RCMP Criminal Record Check for past five years within the first two weeks of hire
