JOB DESCRIPTION:

- | |
|--|
| <ol style="list-style-type: none"> 1. Set up and operate proficiently and safely, specialized heavy-duty equipment to maintain Ninilchik roads for both summer and winter seasons. This includes operation of a grader, loader, sander, plow truck, dozer, backhoe, snow blower, and all core equipment up to and including equipment in this pay scale with demonstrated proficiency. Some of this equipment has two or more attachments. 2. Perform with great accountability for situation awareness of potential for equipment damage and safety issues that are inherent with operation of large and specialized equipment in a high stress, fast paced, potentially hazardous environment. 3. Asphalt and concrete repair and maintenance, including laying, patching, sealing, painting and sweeping utilizing specialized tools and equipment. 4. Maintenance of guardrail, culverts and road signs. 5. Pollution control and cleanup. 6. Receive and accept supervision. 7. Cooperate with the public, fellow employees, and other agencies. 8. Other duties as assigned. |
