THREE WEAVERS
BEER COMPANY

Seafarer | Three Weavers Brewing, Inglewood, CA 6 miles away (Can)

Kölsch Style, poured a clear yellow with white head that left some lace. The scent has a biscuit tone. Nicely balanced and easy to drink. The bread base made this beer good. The Mouthfeel was lighter in body with good carbonation. ABV:4.8% 6.5

Maharaja, Avery Brewing Company, Colorado, (Can)

American Double / Imperial IPA

This imperial IPA is regal, intense and mighty. With hops and malts as his servants, he rules both with a heavy hand. The Maharaja flaunts his authority over a deranged amount of hops: tangy, vibrant and pungent along with an insane amount of malted barley – fashioning a dark amber hue and exquisite malt essence. Welcome to his kingdom. Rated 95 world-class ABV:10.20% 7.5

Coconut Hiwa Porter, Maui Brewing Co.,Kihei, HI (Can)

Pours a dark almost black brown with a rich tan head that fades quickly. Toffee aroma, a little burnt sugar, and some grain. Excellent balanced taste: dark cocoa, toasted coconut, burnt sugar, dark fruit. Well done! ABV:6% 6.5

Mama's Little Yella Pils (Can)

Oscar Blues Brewery, Lyons, CO

Small-batch version of the beer that made Pilsen, Czech Republic famous. Unlike mass market it is made with 100% pale malt, German specialty malts and Bavarian hops. Great session beer. ABV: 5.3% 7

New Beers Draft!

Negra Modelo | Grupo Modelo S.A. de C.V. Vienna Lager (Draft)

A very dark amber color, one of the finest Vienna/amber lagers that I have tasted. If you have not had this beer then you ought to give it a try. Moderately carbonated, smooth. Light palate. Light dry finish. ABV: 5.4% 6.5

Blonde Ale | Saint Archer Brewing Co. San Diego, CA (Draft)

Modeled after the bright, beautiful ales of Koln, their interpretation has a clean, crisp malt character similar to a Pilsner. The authentic Kolsch yeast strain pairs perfectly with their unique blend of aromatic Noble hops from Germany. ABV: 4.8% 7

Scrimshaw Pilsner | North Coast Brewing Co. Fort Bragg, CA. (Draft)

Named for the delicate engravings popularized by 19th century seafarers, Scrimshaw is a fresh tasting Pilsner brewed in the finest European tradition using Munich malt and Hallertauer and Tettnang hops. Scrimshaw has a subtle hop character, a crisp, clean palate, and a dry finish. ABV: 4.7% 7

Stone Tangerine IPA | Stone Brewing (Draft)

American Double / Imperial IPA rated Outstanding Beer Advocate. Puréed tangerines were added to a batch of fresh Stone IPA. The flavors yielded by this addition to the recipe meld beautifully with the bitterness of the hops. ABV:9.40% 7

Pineapple Sculpin, Ballast Point Brewing Company, San Diego (Draft)

With so many tropical hop notes in Sculpin, how could they not try adding some sweet, juicy pineapple? The combination of fruity flavors and hop intensity definitely packs a punch. ABV: 7% 8

Mission Blonde | Mission Brewery, San Diego (Draft)

Award winning! With the color of a pilsner and the character of an ale, our blonde is a welcome and refreshing respite. Brewed with an authentic kolsch yeast strain, a peck of fruitiness compliments the blend of noble hops. Lager-like with its delicate dryness, it really is reminiscent of ales from Köln, Germany. ABV:5% 7
