Dear Ms. Selnick,

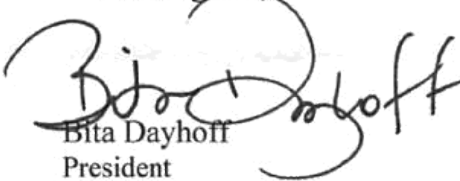

Thank you for being a Supporting Sponsor for the 2016 Holland Awards Dinner. The decision you made to sponsor the Holland Awards Dinner will benefit more than 35,000 Howard County residents helped each year by the Community Action Council of Howard County.

Thanks to your generous support, CAC will continue to address the needs of our county's most vulnerable families and individuals. On a daily basis, our programs and services, including energy and housing assistance, weatherization, crisis intervention, Head Start and the Food Bank, give clients measurable results as well as hope and inspiration for a better life.

We are glad you were able to join us on October 20<sup>th</sup>, as we welcomed Dr. Wallace Loh, president of the University of Maryland, and honored the "Howard 7" for their commitment to the Summer Enrichment Program. It was an evening of celebration, recognition and inspiration. We hope you enjoyed the program.

On behalf of the CAC Board of Directors and staff, thank you for helping us make Howard County a better place to live for everyone. Your support matters.

Sincere regards,

  
Bitu Dayhoff  
President

*Thank you so  
much for all your  
support.*

Dear Dr. Selnick,

Thank you for coming for Career Day. Thanks for showing what you do as an orthodontist. Now I know what to expect for when I go to the orthodontist. When I think about it, I might become one. Can you also tell me what dental school is? Also, if you weren't an orthodontist, what would you be? Finally, why did you become an orthodontist?

Sincerely,  
Gregor

Dear Dr. Selnick,

Thank you for spending your time to come to our school!!  
I really enjoyed to see and learn about a type of dentistry.  
I also enjoyed you giving out models of teeth to let us  
see and touch them. Your slide show made me more fascinated  
of orthodontology than before because of that, I have a possibility  
of being one in the future. If I actually be one, I  
have to be good at solving puzzles like what you said. I hope  
you can read this short letter and continue to be successful :).

Sincerely, Charles Kim
