

# REMEMBER

*all the times  
your teacher told you  
to QUIT  
daydreaming?*

## The day has finally arrived for our 2006 winners.

The Kristan Cole Team was looking for dreamers. Big dreamers. And that is exactly what we found in our Mat-Su High School Seniors. We know that the future of our community depends on our young people. We rewarded five of these dreamers that showed passion for teamwork, heart and a vision to follow their own dreams for the future each with a \$500 scholarship. When you see the young leaders listed below around your neighborhood, congratulate them on the leadership and teamwork skills they possess... that is, if they haven't already headed out into the real world to share their enthusiasm.

Every year The Kristan Cole Team awards the *The Kristan Cole, Follow Your Dreams Scholarship* to Mat-Su High School Seniors. To apply for next year's scholarship, visit your high school counselor in the Spring of 2007 or call us direct for more information.

**Chet Hand Home Schooled**

"During high school, I have had many opportunities to excel and demonstrate motivation and leadership potential. All of these activities are great examples of how we have to work together to really accomplish anything. They are also very important steps in my preparation for the Coast Guard."

**Joe Hunner Wasilla High**

"All my life I have worked with people on teams. To me it is more fun that going it alone. I have enjoyed countless teamwork experiences and hope to have many more in the future."

**Ashley Miranda Palmer High**

"Children need well-educated, devoted, and open-minded teachers who are willing to work together as a team. I want to be one of those teachers."

**Erik Heasley Home Schooled**

"Once I become a physician, I will return to Alaska and practice in Wasilla or Anchorage. I will be a benefit to my community by giving my all for better health care in Alaska. This scholarship will help me reach my ambitions."

**Teagan Lochner Wasilla High**

"Being the oldest of eight children has influenced some of the best parts of who I am; patience, strength, courage, problem solving, organization, the love of children and the value of working together to overcome obstacles."

The Kristan Cole Team donates a percentage of the proceeds from each sale to the Children's Miracle Network as part of the Re/Max Miracle Home Program.
