**History of the Beach Haven Community Arts Program (CAP)**

In 2000 a few citizens founded the non-profit Beach Haven Community Arts Program (CAP) to continue a 25 year tradition of Free summer concerts in Beach Haven and to "develop policies, activities and actions that enhance the overall desirability and beauty of Beach Haven, and to advance year-round cultural activities and events within the Borough"

In the ensuing years CAP has arranged for between 9 and 12 free "Concerts on the Green" each summer. Cap has helped with the beautification of Veterans Memorial Park with the addition of comfortable benches and brick walkways. CAP sponsors an annual scholarship for a student at Southern Regional High School who plans to pursue a career in the arts. Donations for the purchase of musical instruments have assisted the students at Beach Haven Elementary School.

The members of the Beach Haven Community Arts Program would like to extend our thanks to all of the businesses, residents and visitors who have supported our programs. With concert sponsorship by local businesses, individuals and other non-profit groups, with ads in our weekly programs, with donations from visitors, and with the help of volunteers and the Borough Public Works employees, the Beach Haven Community Arts Program has been able to provide outstanding cultural activities each year.
