For your comfort and safety, Skyline home designs are approved and inspected for conformance to federal standards.

*Dimensions stated to industry standards. Width and length dimensions are nominal and are not to be used for setup of home on site; consult selling retailers for exact specifications. Overall length does not include approximately four foot hitch. The square footage is approximate and based upon nominal exterior floor size.

Room sizes are measured from floor ends and wall centers.

Because of progressive product improvement, all prices and specifications are subject to change without prior notice or obligation to Skyline Corporation.

Your retailer, an independent contractor, who is not an agent of Skyline Corporation, is the party responsible for your purchase contract and any additions, deletions, alterations, or attachments made to or in your home.
