

Kingdom Builders

2017 PROJECT GUIDE

An aerial photograph of a vast, hilly landscape. The foreground is filled with a patchwork of green fields, some of which are divided by dark, winding paths or roads. In the background, a range of mountains stretches across the horizon, with the peaks becoming increasingly hazy and blue as they recede into the distance. The sky is a pale, clear blue.

Kingdom Builders is a group of fully committed individuals and families at TrinityLife who are prayerfully committing to give, over and above their tithes, to world missions, Baltimore, and our next generation.

A scenic landscape featuring rolling green hills in the foreground, with a winding river or path visible. In the background, there are layers of hazy, purple-tinged mountains under a soft, warm sky, suggesting a sunrise or sunset. The overall mood is peaceful and inspirational.

*We are
blessed to be
a blessing.*

Jesus says, "To whom much is given, much is required." If you're like me, you realize we have been given much in life. As we live with the command given by Jesus, we have a choice to either spend our resources on ourselves or invest them on things greater than ourselves.

We are anticipating 2018 to be a big year for us as we stretch way beyond what is normal, believing that God wants to use us in ways we have not been used in the past. We often hear it said, "The best is yet to come." I believe our greatest impact is yet to come and the greatest miracles have not yet happened.

Thank you, in advance, for making the sacrifice to be a Kingdom Builder. Thank you for believing that God has so much more for us to do to change this world for His glory!
