Ultrathin Flatbread Style Pizza Crusts - Round

Also Available in Whole Wheat and Herb Dough

Ultrathin Style Crust is our thinnest crust and is made without a raised border for "edge to edge" topping. This crust is the ideal choice for a thin crispy pizza, grilled flatbread, or served with dipping sauces. This crust works great in Panini grills and is the choice of health conscious customers who prefer a lighter pizza with less dough, particularly when made with our whole wheat dough.

This attractive artisan crust serves as a great canvas for you to create the "star" of your in-room dining menu and will keep the "pizza delivery guy" at bay.

California Style Pizza Crusts

Also Available in Whole Wheat and Herb Dough

The California Style Crust has Colors' distinctive hand shaped rolled border. This medium thick crust is soft and fluffy allowing for a longer final bake time, which reduces the chance of over-browning. The rolled edge helps keep the toppings in place and the crust medium-thick profile perfectly retains heat, making it our most versatile crust, from room service to buffet, catering and E.D.R applications.

Colors Cheese Pizza

We start with our California Style Pizza Crust as the foundation for this oven-ready cheese pizza. We then top it with our own zesty tomato pizza sauce, freshly shredded 100% whole milk mozzarella and a pinch of oregano. The unique rolled edge gives a handmade appearance and helps keep toppings in place. The medium-thick profile of this crust retains heat very well making Colors California Cheese Pizza the ideal choice for room service and buffets.

Rustic Style Cheese Pizza

The base of this cheese pizza is our hand-tossed, irregularly shaped Rustic Style Crust. To complement this artisan pizza we created a simple fresh and fruity sauce with crushed tomatoes, extra virgin olive oil, a squeeze of lemon and a pinch of sea salt. 100% whole milk mozzarella complete this superb pie. This pizza will be the "star" of your "in-room" dining and surpass in quality, look and taste any neighborhood pizza delivery offerings.
