

Family Farming

Grower Owned Processor

2018 Sustainability Report Card

MATERIAL MANAGEMENT & WASTE REDUCTION

231,576

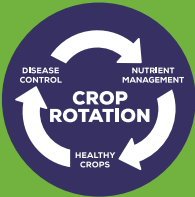

Pounds of Imperfect Produce harvested and sold

221,000

CHEP Pallets in circulation

635,000

Number of clamshells made with PETE 1 materials

CROP PROTECTION & INTEGRATED PEST MANAGEMENT

3

Number of non-chemical integrated pest management methods in use

2.5

Average crop rotations per ranch

ENERGY & EMISSIONS

700

Number of acres powered by on-farm solar energy

WATER MANAGEMENT & CONSERVATION

4,650

Acres on drip irrigation

SOIL MANAGEMENT & CONSERVATION

3,079

Tons of compost applied to our crops

1,585

Acres of Brassicaeae farmed as rotational crop

ECOSYSTEMS & BIODIVERSITY

19

Number of ranches identified as having environmentally sensitive habitats nearby or adjacent
