| <p>Your picture time is the time located in the colored area of the grid to the far right. You must arrive at least 30 minutes before your actual picture time to allow for last minute preparations and putting together your order information. You must pay for your pictures at the time they are taken. This will insure that we stay on time. The preferred method of payment is cash or check. You can wear your hair and make up however you would like for pictures. We would recommend that you consider a bun for the ballet class pictures.</p> | | | | |
