

**Austin Kenpo Karate Operational Policies**  
**And Application Forms:**  
**Summer Camp Program**

Dear Parents and Students,

I want to personally thank you for choosing Austin Kenpo Karate. We are proud of the training programs we have to offer and believe you won't find a more professional and caring Martial Arts Studio in Austin. Our Summer Camp Program, like our core Martial Arts curriculum, follows our unique training regiment which maximizes the student's ability to learn. It is our goal to develop each and every student to his or her full potential.

Our Martial Arts training curriculum consists of American Kenpo Karate, Lung Chi Quan Kung Fu and Jiu Jitsu. Combining these three systems, our program offers a wide variety of self-defense applications and a unique format for developing self-confidence, self-respect, self-discipline and self-esteem.

The purpose of this Operational Policies is to inform you the parent and student of Austin Kenpo Karate's current policies and regulations. This Operational Policies will answer many of your questions and concerns. However, if you should have any additional questions feel free to contact me directly at 512-459-1806 and I will assist you. I can also be reached via email at [sifu@austinkenpokarate.com](mailto:sifu@austinkenpokarate.com). Additional information like class times, rates and so on can be accessed at [www.austinkenpokarate.com](http://www.austinkenpokarate.com).

We firmly believe that together we can improve your child's future. I look forward to working with you and your child.

Sincerely,

Sifu Schroder

## **About Your Instructor: Sifu Schroder**

Sifu Schroder has trained in Martial Arts since age 12. He began his training in Tokong Moosul under Grand Master Yi in 1982, where he earned his red belt before Master Yi returned to Korea. He began training in Chinese Kenpo in 1989 under Michael Abedin, earning his 2<sup>nd</sup> Degree Black Belt from the National Chinese Kenpo Karate Association in 1999. Sifu Schroder currently holds Black Belts in three systems: 2<sup>nd</sup> Degree in Chinese Kenpo Karate, 4<sup>th</sup> Degree in Lung Chi Quan Kung Fu and 6<sup>th</sup> Degree in American Kenpo Karate.

In 2000 Sifu Schroder established the Chinese Kenpo Karate Association so that he could teach and develop his own style of Martial Arts free from political restraints. Sifu Schroder has been a long time student of Kung Fu, and under the instruction of Grand Master Russell Shores, a 10<sup>th</sup> Degree Black Belt in Long Chi Quan Kung Fu, was promoted to 4th Degree Black Belt in 2009.

Eager to learn and advance his fighting style, Sifu Schroder branched out into American Kenpo Karate. Training directly under Professor John Sepulveda, founder of the American Kenpo Training Systems until 2007, He is now working toward his 7<sup>th</sup> Degree American Kenpo Jui Jitsu Black Belt. He also has a passion for Jiu-Jitsu, incorporating Joe Morea's fighting system into his curriculum.

Mr. Schroder took over Austin Kenpo Karate in 1996 and has developed it into the fun, energetic, disciplined school it is today. Mr. Schroder loves working with children and many of his advanced ranks began in the children's program and have been training with him for over 10 years. In 2004, after many requests from his students who are also parents, he incorporated a youth program (ages 5- 7). Although the children learn the same curriculum as the juniors and adults, the younger children have flourished under his tutelage. This is due to Sifu Schroder's strict guidelines for the class, allowing only 15 students to be enrolled in the youth program at one time, unlike many of his competitors who allow 2 to 3 times that number. Children also need encouragement and discipline in order to develop their full potential; Sifu Schroder's passion for teaching and his ability to relate to his students have made his curriculum a great success.

## **Testimonials**

**“When my five-year-old son became interested in karate, I visited several karate classes in Austin in search of a good instructor and environment. Although there were many children's karate classes, I did not feel that I had found the right school until I met Sifu Schroder at Kenpo Karate. It has been a wonderful experience for our family. Our son has learned much technique, teamwork, and self-discipline as well as having a great time with his classmates. Our two-year-old daughter spent two years watching her brother participate before she joined the class. It has been so fun watching her enjoy learning karate with her brother. Sifu Schroder is a patient, committed, talented, humorous and creative teacher for all ages and we are fortunate to have found his school.”**

**Sifu, the kids insisted on putting in their two cents; here it is:**

**"Sifu is fun and a friend." -Max**

**"I was scared and cried and then I liked It." -Clara**

**“Even after our son’s sudden death at the age of seventeen, Austin Kenpo Karate remains a positive influence in our lives and continues its personal relationship with our family. That is the commitment this institution has to all of its students.**

**Our youngest son, Vincent, sought an avenue by which he could develop self-discipline, focus and concentration, skills with which he had struggled for many years. He was diagnosed with ADHD at the age of five and like many was very intelligent yet had a difficult time in structured situations. Although Vincent was a student of Sifu Schroder for only a year, during that time he developed a sense of self-control, balance and a healthy physical and mental state. Sifu Schroder worked with Vincent, allowing him to progress at his own pace and work toward the goals he had set for himself. The instruction was comprehensive, empowering Vincent with a sense of well being. We are so very thankful that he found this, for we lost Vincent only months later. Austin Kenpo Karate truly provides for, and believes in, its students. We want to thank them again for the memorial on their website honoring Vincent’s life as well as his honorary certificate of Black Belt.**

**We fondly hope others will find their balance as well through Austin Kenpo.**

**Sincerely,  
Joan, Mother to Heaven Bound Angel, Vincent**

## **Tuition and Fees**

Austin Kenpo Karate is proud to say that we have been in business in Austin for over thirty years. We have been able to operate a successful school because of our high standards of training and our cost efficient programs. Like every business we do operate on a budget. We count on you the parent and student to pay your tuition on time to ensure we meet our responsibilities. For that reason we have established the following policies concerning payment and tuition fees.

In order to secure a place for your child in the summer camp program, the registration fee and first week must be paid in full at the time of registration. Payments are debited weekly, on Mondays, 4 weeks in advance of the week to be attended by your child; the weekly payment will include all fees, including tuition, meals, and events. Please refer to the schedule for prices. Events may change based upon the weather, availability, closures, etc., and we will notify you in advance of any change. If you are registering within less than 4 weeks of the anticipated start date, please call 512-459-1806 to confirm availability. We cannot accept payments for partial weeks based on student's attendance.

The following penalties will be assessed in the event that the student(s) does not complete their enrollment as agreed: \$75.00 per week. Cancellation of attendance for any week must be made 30 days or more in advance, via email, and a response given by Austin Kenpo Karate. Failure to cancel within these guidelines will result in a charge for tuition and fees for that week, even if notification is made prior to the charge; if you cancel within these guidelines you will not be charged, except for the cancellation fee. Registration fees are non-refundable.

*Please note: When student(s) prematurely cancel their contract the spot that was reserved for them typically goes unfilled. The fees we assess do not completely cover this unexpected loss in revenue, even when it is filled partially. We schedule our services and events in advance, out of necessity, and when you cancel we most often do not recoup those fees, in addition to the added loss of revenue. We often turn down potential student, as well as procure other means of revenue on weeks that we do not hold camp, all based on enrollment. Please adhere to your contract as you expect us to adhere to ours. Although we realize there are extenuating life circumstances beyond your control, cancellation due to convenience, enrollment in a new sport, etc., are not considered extenuating. Keep these possibilities in mind before enrolling in our program. If you are unsure, consider stopping by with your child to observe a class and/or register them in an introductory course prior to enrollment. You may also schedule an appointment to meet with Sifu Jeff Schroder to discuss the program.*

### **Registration Fee (non-refundable):**

First Child (Includes Uniform).....	\$79.95
Second Child (Includes Uniform).....	\$49.95

### **Late Payment Fees**

There will be a \$25.00 late fee for payments that are not received by the deadlines outlined in this agreement. If you are having trouble meeting your financial obligations you may be able to avoid late fee penalties if you speak to Mr. Schroder prior to your due date. In addition, returned checks and automatic payments that are declined are subjected to the late fee above, in addition to any bank fees incurred by Austin Kenpo Karate.

We have structured our rate to be competitive with local day care providers and at the same time offer a high quality martial arts program and very reasonable rates. Please consider you are receiving summer camp care as well as martial arts training.

### **Additional Fees**

Late Fees: Due to daily school operations students must be picked up by 6:00 pm. Students who are picked up late will incur a \$10.00 fee for every 15 minutes after the first offense.

### **Registration Deadlines**

We are expecting this program to be full. In order to secure your child's placement tuition in full must be paid 2 weeks prior to start date. However, we will continue accepting registrations until the program is full. A wait list is available, and we will notify you as soon as possible of any openings.

## **Student Pickup Policy**

A designated adult must sign out all students. Please sign your child out every day. We understand that this may seem inconvenient; however for your child's safety we will not allow them to meet you outside after class. We realize that there may be extenuating circumstances and you may need to pick up your child early, but please call ahead and we will do our best to accommodate your needs. We will **NOT** release your child to anyone that is not listed on the authorized pickup list. This is accordance with the law and for your child's safety. We will also require a valid I.D for anyone we are not familiar with, even though they are on the pickup list.

## **School Etiquette and Discipline Practices**

A big part of our program is promotion of self-respect and self-discipline. Every student is expected to treat each other and their instructors with respect. We run a disciplined program and every student is required to participate in the Martial Arts portion of class. Students are expected to bow before entering and leaving the workout area. Students are expected to be suited out and charts turned in no later than 5 minutes before class. We have one water break during class; students may not drink water out of turn or any time during class besides the regular break. Once class begins students may not leave the workout area without permission.

In order to run a safe and beneficial program students are expected to follow the instructions of their teacher - we refer to it as the listen and learn rule. Students who do not follow directions or misbehave during class will be asked to do pushups or some other form of exercise punishment. For example, students who leave their uniform or belt lying on the floor will do pushups; pushups increase in number as the number of occurrences increases. The child will then rejoin the class and continue the program. If the behavior continues they will be put in a timeout horse stance. Any further misconduct will result in the student being dismissed from class and will remain separated from the other students in a supervised location.

## **Discipline and Guidance Policy**

Discipline practices and policies at Austin Kenpo Karate are in accordance with the Texas Administrative Code, Title 40, Chapters 746 and 747, Subchapters L, Discipline and Guidance:

  - (1) Individualized and consistent for each child;
  - (2) Appropriate to the child's level of understanding; and
  - (3) Directed toward teaching the child acceptable behavior and self-control.
- ◆ **A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:**
  - (1) Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
  - (2) Reminding a child of behavior expectations daily by using clear, positive statements;
  - (3) Redirecting behavior using positive statements; and
  - (4) Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
- ◆ **There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:**
  - (1) Corporal punishment or threats of corporal punishment;
  - (2) Punishment associated with food, naps, or toilet training;
  - (3) Pinching, shaking, or biting a child;
  - (4) Hitting a child with a hand or instrument;
  - (5) Putting anything in or on a child's mouth;
  - (6) Humiliating, ridiculing, rejecting, or yelling at a child;
  - (7) Subjecting a child to harsh, abusive, or profane language;
  - (8) Placing a child in a locked or dark room, bathroom, or closet with the door closed; and
  - (9) Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

## **Uniform and Safety Equipment**

Every student is responsible for the care of his or her uniform (Gi). Students should bring their uniforms to class on Monday and take them home on Friday to be laundered. It is not recommended for students to bleach their uniform. Students should never wash their belts (traditionally belts and uniforms were white and after years of training and washing their uniform but not their belts the white belt eventually turned black from all the training). Every student is responsible for tying his or her own uniform and belt. We will assign each student their own locker for their uniform and equipment.

Emergency drills are held monthly to familiarize your child with the evacuation procedures. We have exit plans located in the building to help children remember the safest exit route in case of an emergency. We will instruct the children on proper behavior for an emergency evacuation as well as relocation within the facility.

## **Electronics and Personal Items**

Students with cell phones and other electronic gadgets are expected to turn them off once we arrive at the studio. All personal belongings should be stored in the locker.

## **Transportation**

We will transport your child from AKK to events daily and transport them back to our facility. For the safety of your children we have a few rules that must be complied with while students are being transported:

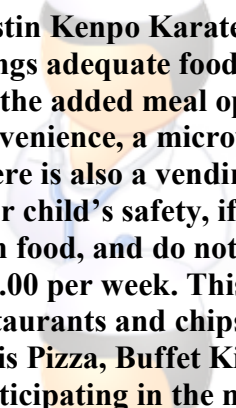

- 2). Once on the bus students must remain seated until instructed otherwise by the driver.
- 3). No food or drinks can be consumed while on the bus.
- 3). Children under the age of 8 or under 49" in height are required to ride in a booster seat when riding in any vehicle under 10,000 pounds gross vehicle weight.
- 4). Children under the age of 12 are not allowed to ride in the front seat unless we receive written permission from the parents that they will allow it.

A student's failure to comply with the above rules may result in their dismissal from our program. We will do our best to communicate with you and your child before they are suspended from the program.

## **Attendance**

We understand that your child may not attend class every day due to illness or emergency situations. It is necessary for the parents to inform us of any and all days your child will not be present so that we may plan accordingly. Please notify us by phone no later than 10am that day.

## **Meals and Food Service Practices**

Please ensure that your child either brings adequate food for their needs during the time that they are in our care, and/or prepay for the added meal option. We eat offsite at outside vendors for lunch. For your convenience, a microwave, refrigerator, freezer and sink are available for students' use. There is also a vending machine in the front lobby that dispenses snacks and drinks. For your child's safety, if they have any food allergies whatsoever please ensure they bring their own food, and do not choose the added meal option. Our meal plan during the summer is \$45.00 per week. This includes a morning juice box and muffin, Lunch at one of our offsite restaurants and chips and juice box for the after Noon snack. This is for your child's safety and we are not flexible on this request. Should there be extenuating circumstances please call us on the phone as soon as possible and we will try to accommodate you. Let us know if you'll pick your child up early so we can be sure to have them ready.

We will not allow your child to leave in the company of a minor (even brother, sister, etc.). This is all for the safety of your child.

## **Parental Participation**

Austin Kenpo Karate does host field trips during its Summer Camp Program, Parent Participation is welcome as long as it does don't conflict with the safety requirements set forth by this Hand Book or those listed in this Operational Policies. We are also pleased to host school activities and parties outside of operation hours that are open to all students, and notices will be posted in advance if you and your child would like to participate. Parents are of course welcome and encouraged to observe classes at any time. Please note that a parent, guardian, or approved family member or friend over 18 years of age will be required to supervise the student at all such school functions.

## **Required Postings and Notifications**

Austin Kenpo Karate maintains a copy of all postings and notifications required by the Texas Department of Family and Protective Services (TDFPS). These documents, including contact information for the local Licensing office, TDFPS child abuse hotline, and TDFPS website, are displayed prominently in the front lobby, in a binder on the glass counter by the front entrance, and/or on the bulletin board. If you would like to review a copy of the TDFPS Minimum Standards for School-Age and Before or After-School Programs, Austin Kenpo Karate's most recent Licensing Inspection Report, and/or this Operational Policies, they are available in the binder in the front lobby at all times.

## **Gang-Free Zone**

As a result of House Bill 2086 that passed during the 81<sup>st</sup> Legislature, Regular Session, Chapter 42 of the Human Resource Code includes section 42.064, effective September 1, 2009. This new statute requires that information about gang-free zones be distributed to parents and guardians of children in care at licensed child care centers. The following is a tip sheet to assist in complying with the new law.

### ***What is a gang-free zone?***

A gang-free zone is a designated area around a specific location where prohibited gang related activity is subject to increased penalty under Texas law. The specific locations include day care centers. The gang-free zone is within 1000 feet of your child care center. For more information about what constitutes a gang-free zone, please consult sections 71.028 and 71.029 of the Texas Penal Code.

### ***How do parents know where the gang-free zone ends?***

The area that falls within a gang-free zone can vary depending on the type of location. The local municipal or county engineer may produce and update maps for the purposes of prosecution. Parents may contact their local municipality or court house for information about obtaining a copy of a map if they choose to do so.

### ***What is the purpose of gang-free zones?***

Similar to the motivation behind establishing drug-free zones, the purpose of gang-free zones is to deter certain types of criminal activity in areas where children gather by enforcing tougher penalties.

### ***What does this mean for my day care center?***

A child care center must inform parents or guardians of children attending the center about the new gang-free zone designation. This means parents or guardians need to be informed that certain gang-related criminal activity or engaging in organized criminal activity within 1000 feet of your center is a violation of this law and is therefore subject to increased penalty under state law.

### ***When does my child's care center have to comply with the new requirements?***

The law is already in effect, so providers should begin sharing information regarding gang-free zones immediately. Licensing staff will offer technical assistance to facilitate compliance until rules are proposed and adopted, which is estimated to occur in March 2010. In the meantime, providers should update their operational policies and procedures to include providing the information mandated by this law to the parents or guardians of the children in care.

***For further information please contact your licensing representative or your local licensing office.***

## **Nondiscrimination Policy**

Applications of enrollment are accepted regardless of race, religion, color, sex or national origin.

## **Mandatory Forms and Paperwork**

In order to be admitted into the Summer Camp program all students must complete, and turn in by the deadline dates, Pages 19-25. The handbook is for your reference only. We no longer need initial copies of the handbook. **If you have more than one child we MUST receive separate documentation for each child.** This allows us to prepare and comply with all regulations required by the State of Texas in regard to child safety.

We appreciate your cooperation and patience in filling out all of the required paperwork. Please realize that many other summer camps are not licensed child care facilities and therefore they do not require the same documentation.

Please continue to the following pages for the required forms. All pages of this document must be initialed; the appropriate forms signed, and turned in to the Director. A copy of these completed documents will be provided to you upon your request.

**This is a legally binding contractual agreement. It is strongly advised that you thoroughly read the Operational Policies and all contracts, and that you discuss any concerns or questions with the Director, prior to signing and submitting said paperwork.**
