SUNBELT EXHIBITOR TESTIMONIALS

"Sunbelt is our favorite builder show. It is family friendly and it is Texas all the way. Much more relaxed than the "big show", great education opportunities and exhibits, and at the end of the day not so worn out by the distances traveled!"

Bill Bettis, President of Bettis Construction in Fort Worth, TX

"Attending Sunbelt last year was a VERY GOOD experience for me. I found a wealth of useful information in the education sessions and in the new products and services offered by the attendees. I highly encourage Builders and Associate members to attend in 2019."

Sergio Cuartas, Jr., Owner of BIC Homes LLC in El Paso, TX

"I attend Sunbelt because it is one stop shopping. I see all the new products in one place and the knowledge people behind the products. I also attend because at the same time TAB is conducting committee meetings which allows me to find out what is happening in Texas in the building industry, which is a must for builders to stay in business."

Sunbelt allows me to gain valuable information on products and the industry in a very efficient manner. It saves time, which saves money. I would suggest anyone involved in the business of development, home building, remodeling to attend Sunbelt."

Eddie Martin, President of Tilson Homes in Austin, TX

"I attend Sunbelt to meet with vendors that I normally do not have time to talk to at work. And the classes and ability to talk with other builders is amazing. By participating, I have saved many thousands of dollars in better deals, new information and ideas from all those who attend. I would encourage and do encourage other builders to attend. It is worth the two days away from work."

Mike Dishberger, CEO of Sandcastle Homes Inc in Houston, TX

"By attending Sunbelt, I ensure that I get first-hand and hands-on information about existing and new products and cutting-edge technology for the building industry before many other builders/competitors. It's important to stay a few steps ahead!"

Victor Drozd, Vice President of 2D Homes in Bryan, TX

"The Sunbelt "Attending Sunbelt is a great way to find the latest products and industry trends to bring back to my customers and keep my homes on the cutting edge of technology."

LuAnne Butler, Vice President of Woody Butler Homes in Hewitt, TX

“The networking and education opportunities are valuable and keep me coming back year after year. The Builder’s Bash is definitely a highlight of the Sunbelt Builders Show.”

Heather Laminack, General Manager of Ferrier Builders Inc in Fort Worth, TX

“I attend Sunbelt for the vendor interactions and to attend the education sessions for continuing education opportunities. I enjoy walking the trade show floor and meeting new vendors and learning about their latest products. But I enjoy more visiting with vendors with whom I already have relationships with so I can thank them for their support and actually talk face-to-face. The personal interactions, even if only once a year, surpass emails and phone calls. I highly recommend builders in Texas attend Sunbelt.”

Todd Eidson, President of Sierra Homes in Fredericksburg, TX

“I am always in search for something to give me an edge or advantage over my competition, and I always look for it at the Sunbelt Builders Show. It may be the newest energy efficient window or the new quartz countertop or the latest in flooring. The answer is at there at the Sunbelt Builders Show, I just have to find it.”

Gonzalo Garcia, President of JRG Builder & Remodelers in Houston, TX

“The Sunbelt Builders Show is an automatic on my calendar each year for me and my family. The TAB staff and Sunbelt committee do a great job of providing education, socializing, and entertainment for the entire family.”

Jon Loudermilk of Homes by Design in Abilene, TX

Builders Show is the most important show we attend each year. Most of the exhibitors are right here in Texas, and that means these are products and services we can use in our development and home building projects right away!”

Roy Nash, President/CEO of NeighborWorks Waco in Waco, TX

“Those that are looking at Sunbelt as just another trade show doesn’t realize the opportunity created to network with others in the building industry and to see what trends are happening around the state in a non-competitive atmosphere. By attending the many valuable educational seminars and walking the show room floor to see new products and designs, my company stays ahead of the curve and we utilize this knowledge not only in our homes but also as a sales tool. Everyone wants a builder who is passionate about their work and their industry.”

Matthew Reibenstein, President & Team Leader of Royal Design Build Co. in Conroe, TX

“Sunbelt is one of the best trade shows in South. The education, networking and camaraderie are excellent. Anyone interested in the building business can benefit from the Sunbelt Builders Show.”

Mike Sugrue, Principal of StoneLeaf Development Partners in Mabank, TX
