**Special Requirements: TWIC**

The Transportation Worker Identification Credential, also known as TWIC®, is required by the Maritime Transportation Security Act for workers who need access to secure areas of the nation's maritime facilities and vessels. TSA conducts a security threat assessment (background check) to determine a person's eligibility and issues the credential. U.S. citizens and immigrants in certain immigration categories may apply for the credential.

**Position Requires Person to:** Operator Pickup Truck, Forklift and Small Hand Tools.

**Job Description:**

Dedicated Maintenance person for Marine Engineering Building and grounds. This is a state owned facility, will require after hours availability for emergency situations. Position does interact with AMHS Headquarters employees in way of support and assistance.
