FRAUDULENT SUNBELT REPRESENTATION

Be Aware

The Texas Association of Builders and Sunbelt Builders Show™ do not give away or sell any of our email contact lists nor give or sell your exhibitor contact information. Show Managers and Exhibitors from all industry events are getting bombarded with these emails and calls. We are as annoyed with these email headhunters and hotel room poachers as you are.

As soon as an exhibitor reports the fraudulent email/listing company or fake hotel reservation company to us, we send a cease and desist email and then follow up with a call letting them know our attorney has been made aware of the fraudulent use of our trademarked name and false representation.

Sometimes they stop. Sometimes they just change their company name and email and send from another email.

We do apologize and we continue to try and find a way to stop these pirates.

Below is the current list of fraudulent companies that we have been made aware of:

Alternative Ax	Fabb Techs
B2B - Prospects	Global Data Arc
Be Our Client	Global Solutions
Biz Leads Hub	Info Planet Lead
Demand Generation	Metric Valor
Econnect World	Million Data Info
Events Attendee USA	Necess Hub
Events Info Leads	Web Matrix Hub

If a fraudulent company contacts you, please take down their contact information and forward to Angelica B. Stehling and/or me.
