*Our motorcoach tour to the Amish Country was so fun!! Deb planned such unique activities and kept us so busy. It was very interesting to see all the Amish styles. I really liked learning about how they make their buggies and then later being able to take a buggy ride. So fun!! Thanks for this great tour!!*

*I loved my recent tour with Northland Travel to the Historic Cities of Eastern Canada with Niagara Falls. I have always heard that the falls are more beautiful from the Canadian side and they definitely are. What a breathtaking site!!! I even enjoyed seeing them illuminated at night as well. There were so many historic and interesting sites included in this tour. It was wonderful!!!*
