Cecchetti Uniforms

To the Parents and Students of APSD,

The focus of Ann Parsley School of Dance is to produce a well-trained, technically sound, versatile dancer with a solid ballet foundation. We take pride in our deep dedication to providing pre-professional classical ballet training for serious ballet students.

In an effort to promote this austerity, we implement individual class uniforms for all Cecchetti Syllabus Classes. A uniform allows our instructors the ability to more clearly view any errors in the classical line and overall technique of the dancer, while also fostering the discipline required to master this art and promote a more serious ballet school atmosphere.

As our required pink tights allow teachers to see the lines in the legs, the leotards chosen for each level will do the same for the dancer's technique. With implementation of the uniform, no individual stands out for better or for worse, helping promote the harmony and unity of the ballet school we strive for.

The leotards can be purchased solely via our online store at the link below. Leotards will not be available for purchase in the studio. Sample sizes of some styles will be available to view and try on at the front desk.

Please note that the dress code change **does not apply to non-Cecchetti classes**. The classes that do not need to follow this dress code include: Mommy & Me, Creative Movement, Beginning Ballet, non-syllabus ballet classes and other dance styles such as jazz, lyrical, etc.
