

Women in NRCS (WiN) Book Club: Lean WiN

Connect with a unique community of professional women!

Why join a professional book club?

- Meet interesting people around the nation
- Read things you wouldn't otherwise read
- Enhance professional development strategies
- Become more comfortable and confident in professional discussions

How does it work?

1. Sign up for the group: email Alayna.jacobs@ms.usda.gov or Carlee Elke carlee@winnrcs.org by March 15, 2017.
2. Purchase the book: use the WiN Amazon Smile account to support WiN and start reading!
3. Read two books per year and dig into a new subject each year
4. Participate in teleconference discussions the last Wednesday of each quarter, with wrap-up discussions twice per year. Join teleconferences during your lunch time.

Please consider purchasing your WiN Book Club materials via Amazon Smile
