### MISSION

To provide women with training, opportunities, and mentoring to develop into their fullest professional potential.

### VISION

High performing, diverse, innovative and motivated female employees who transform the workplace.

### WiN is:

A professional women employee organization formed for the charitable and educational purposes of aiding professional women in the field of natural resources conservation through education, training, mentoring, leadership development, and networking opportunities.

### What *WiN* does:

- Conducts education and training programs to increase the professional development of its members
- Promotes access and increases participation in natural resource conservation programs and services for women farmers and ranchers
- Actively identifies and works to resolve barriers to employment, leadership development, and retention of women employees
- Provides higher education opportunities through scholarships to members

### Goals of *WiN*:

- Promote the recruitment, retention and professional development of women in natural resources
- Provide a support network for its members
- Improve outreach, access, and services for women farmers and ranchers interested in natural resources conservation

### WiN needs you:

- Become a member
- Volunteer for *WiN* Committees.

Membership in *WiN* is open to all interested parties in support of *WiN's* mission, vision, and purpose.
