

## The Formula for Being in the Abundant Flow

To be in the abundant flow you must understand that abundance is not about earning, it's about receiving. Abundance is not about effort, it's about vibration. It's not about doing, it's about thinking, but not so much about being aware of your thoughts as it is about being aware of how you FEEL when you think the thought. Now you've got the formula for living in an abundant flow.
