

# 14G30TRKE-V4-KP

## FEATURES

- Rugged compressor with cast iron cylinders
- "V" design minimizes vibration, improves cooling and extends compressor life
- Individual removable cylinders for smoother, cooler operation & easy maintenance.
- Engine idle control feature that reduces cost & excessive wear.
- Kohler Pro Electric Start motor
- Oversized 4 cylinder pump allows for lower RPM's and longer compressor life
- Metal air filters with "Auto Drop" feature
- Convenient oil drain on front of unit
- 30 gallon ASME registered tank, 200 PSI rating
- Easy view oil sight gauge
- High efficiency reed valves for maximum performance
- Efficient heat removal from fly wheel for cooler running & longer life
- Sturdy metal belt guard
- Outlet valve included
