The 2015 Star Awards Finalists Announced!

AUSTIN, Texas – Almost 500 entries were submitted for consideration in the 2015 Star Awards. The Texas Association of Builders holds the annual competition to showcase the outstanding work of builders, remodelers, architects, designers, and sales, marketing, and construction professionals in Texas. Entries were judged by a distinguished panel of industry experts from across the nation during an intense two-day judging period.

Winners will be revealed on Thursday, July 30 at 6:30 p.m. at an event held in conjunction with the Sunbelt Builders Show™. Join your colleagues from around the state at Gaylord Texan in Grapevine, Texas to find out who gets to take home these prestigious trophies at the Star Awards Presentations and Cocktail Reception. [Sunbelt registration and Star Award tickets are discounted for a limited time.](#)

In 1992, the Texas Association of Builders launched the Texas Star Awards — the only statewide tribute to excellence in the home building industry. The 2015 Star Awards showcases the outstanding work of builders, remodelers, architects, designers, sales professionals, marketing professionals, construction professionals and industry leaders in Texas and the Southwest! With more than 75 categories to choose from and hundreds of entries each year, it is an impressive feat to be identified as a finalist!
